Audit Committee Report

The Audit Committee reviewed the statements, deposits and expense vouchers for the 2008-2009 State financial year. They all appeared to be in accordance with generally accepted accounting guidelines and within the confines of state council regulations.

We believe the statement previously distributed to the delegates clearly reflects the current financial position of the state council.

Ceremonials Committee Report

In the past two fraternal years 2007-2009, the following has been accomplished in ceremonials:

- ❖ The state has been using the new 3rd degree “workshop” degree.
- ❖ There are currently 3 Conferring Officers capable of conducting the revised 3rd degree.
- ❖ The standard fee schedule has worked very well. However, this cannot be used when bringing in out of state teams.

- ❖ Major degrees are now scheduled one per quarter in each of the three regions of the state; north, central, and south.
- ❖ A minimum number of 15 candidates for a major degree is now in place. Only 3 major degrees have been cancelled due to an insufficient number of candidates.
- ❖ The state council is now capable of conducting 1st, 2nd, and 3rd degrees in Spanish.

The following recommendations were made:

- ❖ There is an urgent need for a 3rd degree team for the southern region. Hopefully, one may make its debut before too long.
- ❖ The two existing 3rd degree teams, while doing an excellent job, need to recruit more back up team members, especially for the longer speaking parts.
- ❖ Out of state degree teams should only be used as a last resort. It has been our experience that Mississippi's degree teams conduct a more professional degree.
- ❖ Communication regarding up coming degrees, including the use of the state website and Good of the Order, needs to be improved.
- ❖ Grand Knights and District Deputies need to be fully trained as to their responsibilities in hosting a major degree.

Council Activities Committee Report

This completes my first year as State Council Director. I attended the School of Columbianism in West Biloxi (Southern Region) on July 13, 2008, in Batesville (Northern Region) on July 19, 2008 and in Jackson (Central Region) on July 20, 2008. I introduced myself and offered my assistance and support to all of the councils in attendance. I also attended the Mid Winter meetings in Tupelo (Northern Region) on January 10, 2009, in Jackson (Central Region) on January 11, 2009 and in Ocean Springs (Southern Region) on January 18, 2009. Again I offered my assistance and support to all councils present. I received some emails from councils during the year for assistance on filling out reports due to Supreme and gave my assistance.

At the 2009 State Convention in Jackson, MS, I chaired the Council Activities Committee. The committee met at 1:00 pm on Saturday April 25, 2009 in Windsor IV. Committee members were:

Tom Setser	Council	848	Lynn Landrum	Council	1908
Mike Morgan	Council	4898	Joseph McQueen	Council	7211
Rick Penick	Council	8054	Terry Crow	Council	9124
Kevin O'Donnell	Council	10216	Jimmie Griffin	Council	13502

All members that were present voted to select the Family of the Year, Knight of the Year, Best Council Activity and Best Small Council.

It was a great honor to serve as State Council Director and I thank all the State officers for their assistance and support.

The first area of concern that was discussed by the committee was that of retention. This has been an area of concern for all councils over the years. While the Shining Armor program has been successful in several councils for getting new members active, there still remains the problem of getting long standing members involved in the council and therefore retaining them. The members agreed that all the councils need to do a better job of getting these older members active. Communication is the key to retention. If the members don't know what is going on in their respective councils, then they are less likely to be involved.

The need for more degree teams within the state was also brought up. This is particularly true for first degree teams. It does no good to recruit someone to join the knights if it takes several months and in some cases a year to get them to a first degree. The sooner we get them into the knights and active the greater the asset they will become for the council.

It was also brought up about the increasing number of strides that are being made in recruitment in the Hispanic and Vietnamese communities. There has been an increasing number of Hispanics being brought into the jurisdiction in the northern areas of the state. As of this date a major degree is being planned for Tupelo at the end of May with between 50 and 100 Hispanics taking their degrees. This will be a huge boost for the state in getting a foothold within this increasing population area. Also there has been increased recruitment along the Gulf Coast in bringing members of the Vietnamese population. The Vietnamese community has long been a closed area of recruitment. With these new members joining our ranks it should give us the ability to tap this underutilized segment of the community.

The largest amount of time was used in discussing a need to recognize transfers to councils from out of state or from in state councils where the member was not active. At the present time, the councils do not receive any recognition for bringing in brother knights who have not been active in their previous councils for whatever reason. It was determined through our discussion that there is a need to recognize these efforts, especially since the process takes extra effort on the part of the receiving council.

While we know that Supreme does not have any mechanism for such recognition, Jerry Woods advised that he would be happy to help the state track the number of transfers. A suggestion was made about earmarking the Form 100's somehow and then having the financial secretaries of the councils forward a copy to the General Agent. The main obstacle to implementing this is getting the FS's to follow an established guideline. While we know that the FS's have a lot of work that they have to do within the council, it was the consensus of the committee that it could be done with minimal disruption of duties of the financial secretaries. This recommendation will be passed on to the new state membership director to seek establishing

such a program in the next year. It was also recommended that if the program proves to successful, that possible an award or some type of recognition could be made at the annual state convention.

The committee meeting was very productive and spirited at times, which showed that there is still a great deal of enthusiasm for actively recruiting, retaining and recognizing the achievements of those brothers that work hard at bettering our jurisdiction thru membership.

Faithfully submitted,

William C. Waggoner
State Membership Director

Prolife Committee Report

The delegates comprising the 2009 Prolife Committee reviewed and voted on all the submissions for the Best Prolife projects for the Diocese of Jackson and the Diocese of Biloxi. All committee members thought there should be more project submissions. After voting on those submissions very little time remained but the committee members did discuss the following:

1. Picayune Council 6872 erects 3,800 crosses each year on the church grounds prior to the anniversary of the Roe vs. Wade Supreme Court decision on January 22.
2. Grillin' for Life sponsored by the councils in the Jackson area continues to grow and attract more teams to compete in the BBQ completion which last year became a Kansas City Bar-B-Que Society sanctioned event.
3. It was recommended that each council have a designated Prolife Chairman. It could be the Parish Prolife Chairman. This would integrate KC efforts with those of the parish so prolife programs will be more of a community effort.
4. Have a Prolife Rosary at the KC State Convention. A resolution was recommended to formalize this idea for future conventions.
5. The State Prolife Chairman should organize the Jackson area KC councils to pray the rosary at the abortion clinic in Jackson.
6. It was recommended that each council close or open their council meetings with a prolife prayer.
7. Get people to contact cemeteries and funeral homes to donate space in cemeteries to buy aborted fetuses.

8. The State ProLife Chairman should contact all councils to compile a comprehensive listing of current and past prolife programs and distribute this document statewide to all councils and post it on the State Council website.
9. It was recommended that all councils construct prolife crosses out of schedule 40 PVC pipe with the arms and top portion being 6 inches and the bottom vertical portion being 18 inches all connected by a “cross” piece section of PVC. It was recommended that each council build and display 183 crosses which represents the number of abortions in the United States each hour to raise issue awareness.

Public Relations Committee

Serving as the Public Relations Chairman for the Mississippi Jurisdiction this past fraternal year was a special experience for me. I appreciate the support of state leadership, and in particular that of State Deputy Daniel Lechner; State Secretary Peter Sukanek; and State Program Director Noel Aucoin.

Filling this role provided great insight into the operation of the Jurisdiction and offered a special opportunity to interact with leadership at the State and Council levels. The Jurisdiction has some great stories to share, and I am hopeful that we can expand on some of them through the newsletter and community media during the coming year.

The Public Relations Committee met Saturday, April 25, during the State Convention in Jackson to judge entries for the best newsletters and best scrapbooks produced during the past Fraternal Year as well as the Knight of the Year and Family of the Year. Members of the committee included William Sonnemann, District Deputy 2; Benito Velasquez, District Deputy 8; Michael Spencer, District Deputy 9, Max Holland, Council 7854; Mitch Sones II, Council 10443; Michael Butler, Council 10499; and Larry Necaise, Council 12331.

Judges reviewed six newsletters, seven scrapbooks, four Knight of the Year entries and four Family of the Year entries. The results are as follows:

There were 21 Financial Secretaries present at our committee meeting. We had , as usual, a very active meeting with everyone airing some of their problems. Newer Financial Secretaries ask questions which the “old hands” enlightened them from their vast experiences. We discussed the new site on the Supreme web site “Member Management” which will help us with billing and address updating and other tasks we undertake.

We discussed slow paying members dues and suspensions for non-payment. We discussed the “Supreme Virtual Council” for members lost addresses as a result of Katrina. We also discussed the council procedures for handling council funds and the checks and balances set in place.

I think it was a good meeting. I have an open forum type meeting with orderly discussions on the issues and I hope everyone learned something from it as I did.

Vocations Committee Report

The State Vocations Committee met at the 105th Annual State Convention for the purposes of judging the presented Vocations award entries for the Jackson and Biloxi Dioceses. There were nine men in attendance. The entries were thoroughly reviewed and then each man made his selection. The projects were very impressive and we all took good ideas away from this event.

We briefly discussed other ways we can support vocations in our councils and also the method of “supporting 5 seminarians for the price of 4” that I mentioned in my report to the membership. Hopefully, several councils will take advantage of their ability to leverage Supreme’s RSVP program money to benefit more of these men who have answered God’s call.

It was my pleasure serving our state in this capacity this year and I look forward to my future assignment.

Youth Committee Report

We would like to propose the state free throw be moved to the last Saturday in March. This is being done as the 2nd Saturday and the third Saturday seem to conflict with spring break. Many parents have ask that this be done if possible. After discussion with the host councils in the state we have come up with this date and these times as follows.

Registration and warm-up 9:30 am --- 10:00 am

Shooting begins 10:00 am until complete

Host Councils will report out come of contest to State Youth Director ASAP as Supreme has to be notified by April 1. All concerned are on board with this and would like to make every effort for participation to increase in this event

We would like to see an increase in the participation of councils[young people] in the poster contest. We had very few this year and this is a project that will cost very little if anything and could or should be conducted by all.

We [I] need to make a better effort on the Soccer Challenge and I think we are starting to make some headway into it, but we have a very long way to go, we need to work a little harder this year.

Respectfully Submitted

Past State Deputies Report

On behalf of the Past State Deputies I would like to express our appreciation to the host councils of the 105th Annual State Convention held in Jackson, MS, 848 Jackson, 7854 Clinton, 8038 Pearl, 8285 St Therese, 9543 Madison, 10216 Brandon and 11943 Gluckstadt for honoring us at this State Convention. Words cannot describe our feelings for the respect and recognition that was given to us. It is obvious that a great deal of effort was put into this preparation.

When we were State Deputies we were given honor and more or less put on a pedestal by councils of the state as well as Supreme Council. Never did any of us imagine that after we became Past State Deputies that we would be placed at this height again. You made this possible.

Again we thank the brother knights of all the councils for giving us this enlightening and inspiring feeling and hope we can be of assistance to you and the state in the future. This is certainly an experience we will never forget.

Fraternally and respectfully,

Robert Fratesi, PSD
Secretary
Past State Deputies Association

Convention Committee Report

The Convention Committee met and found that the 105th Mississippi State Convention was well received and found to be very organized and well run. The Honoring of the Past State Deputies was really touching and well deserved. The committee found that the convention and hotel cost was a more affordable package than those of the past few years.

A couple of recommendations for the committee are:

Banquet seating is one of the toughest assignments but very important to those who have traveled to attend the State Convention. A firm deadline needs to be established in order to assure that table assignment can be set and reviewed. It is very important that top award councils have their own table for their council. For stability of the seating assignments late registrations may not be able to sit with council.

The Convention Registration Fees merely cover the banquet costs while there are a significant number of other expenses which are offset as a portion of hotel room nights booked by the attendees, including the costs of the banquet and meeting rooms. The committee recommends two actions to assure that these additional costs are covered:

1-All Delegates are required to register and stay at the Convention hotel to receive their Per-diem checks.

2- As not all attendees will elect to stay at the Convention Hotel but will share in the enjoyment of the convention facility and event. These individuals will receive the gifts, Convention Booklet, and all other amenities afforded those who have stayed at the hotel. A Convention Fee should be charged to all non- hotel attendees. This will allow these Knights to attend without burdening the convention committee with covering these costs.

The committee felt that the theme of Back to the Basics ran true particularly following Friday Night's evening social around the hotel pool. The friendliness of the hospitality rooms added to the enjoyment of the evening where Knights from around the state were able to relax and get to know their fellow Knights from the 50 plus councils in attendance.

Respectfully Submitted,

Guy Heying
2009 Convention Committee Chairman

Family Activities: Chairman-Bob Leo:

Our council believes that the family is the foundation of the Knights of Columbus. We honor our outstanding families by participating in the "Family of the Month" program as well as electing a "Family of the Year, "whom we enter in the state competition.

We hold many family activities throughout the year; some of which include the annual Children's Christmas party, a Valentine's day "Sweethearts Night", a deceased members Mass, a Columbus day celebration and Mass. We also conduct a Family Friday Night cook out on the grill in the picnic area, in the warmer months, in the cooler months we have a "Friday Night Family Theme Night Dinner" inside the hall.

We also hold "Family picnics for the various holidays throughout the year. We include the widows of our deceased members in all of our family activities. Although these are only a few of the activities that we do throughout the year, there are many more that come up on a daily basis that we attend to. So as you can see, the Family Activities Program plays a very important role in our overall council activities.

Community Activities: Frank Pollizzi

The Council Activities Program operates every month during our Council year. Beginning in July we continue with our monthly East Mississippi State Hospital Nursing Center Visitations. With a mere \$50.00 budgeted for this particular activity we gather at the Nursing Center with anywhere from six to twelve Knights to spend an hour, or so, with patients at this facility. During our December visit we provide gifts, entertainment and, who else but, good old Saint Nick himself. In September we started our support for the Kairos prison ministries program with a donation of \$200.00, to be followed by two other similar donation throughout the year for a total of \$600.00. A group of men who visit the local state prison, along with the leadership of a Brother Knight, bring the word of God through Christian outreach through this program. In November we supported Operation Reindeer with a gift of \$100.00, a local group in conjunction with the lauderdale County Mental Health Association, that prOvided gifts for needy children of prison inmates. In the spirit of Christmas we donated \$100.00 to the Wesley House and \$100.00 to the Salvation Army Angel Tree program to help with gifts for needy children and families. Our Knights manned two Salvation Army Kettles at a local Walmart for a total of 30 hours for this worth charity. Our Council donated \$400.00 in the month of March to sponsor a city softball team. Several Knights play and/or coach this league. In may our Knights once again answered the call for charity by collecting \$640.00 for the Knights of Columbus annual Mental Health fund raiser by conducting a Tootsie-Roll drive at the local Walmart. We ended our fiscal year by awarding our annual Msgr. John J. Burns Award to Dr. Richard Riley who formed the Riley Foundation. At the 2008 Mississippi Jurisdiction Convention our Council received the Best Community Activity Award for 2007. It should also be noted that numerous members of our Council are directly involved with, and provide leadership to, many community activities. Just to mention a few, Boy Scouts of America, Girl Scouts, Kairos Prison Ministries, letter Carrier Food Drive and lauderdale County Mental Health Association. We "walk the walk."

Pro-Life Activities: Tom Zettler

The Council purchased two tables for the annual fund raiser for the local Center for Pregnancy Choices. This allowed six couples from the Council to participate in this event. In addition several members of the Council make personal contributions to the CPC on their own. We again participated in the annual Pro-Life vigil in Jackson at the State Capitol. The Council funds this trip for Knights and parish members who desire to take part in this activity. We held our "Knight for a Day" auction and used the benefits from this activity to support the Mississippi Memorial Pro-Life Fund.

Council Activities: J. P. Carter

May -	Memorial Day Picnic Horseshoe Toumament
September-	Labor Day Picnic
January -	Super bowl Party
February-	State Bowling Tournament
March-	Member Social & Pool Tournament

Church Activities

Knights of Council802 promote parish devotions through leadership roles such as Eucharistic Ministers, lectors, Ushers, serving on parish councils, and as teachers. Every Sunday and during the week one can witness KC members participating in or leading various parish functions. However, one of their more uplifting and favorite events is the observation of first communicants. Just as our Lord ask little children be allowed to come unto Him, He further admonished that one must become as a little child to enter the Kingdom of heaven so do the Knights honor this part of a child's life.

Strong spiritual and financial support is provided to seminarians within the Jackson Diocese. Two recent seminarians are now serving in the Jackson Diocese, one of which is currently serving as our Associate Pastor. An additional seminarian is being supported at this time. Council 802 members provided a minimum of \$3,600 in financial support this last year for seminarians. Dollar amounts don't measure the spiritual and emotional support provided seminarians. St. Patrick's pastor, Fr. Frank Cosgrove, serves as Council802's Chaplain. He and other clergy and religious are included in council activities and events to make them feel a part of council activities.

Knights help organize many activities in support of the parish such as religious and spiritual life through programs like the rosary being offered before parish masses and following council meetings during the year. Knights organize and lead Stations of the Cross and Eucharistic adorations and assist in a wide variety of parish organizations providing financial and moral support.

Knights also support Catholic Missions such as the Saltillo Mission in Mexico and other youth

and adult programs like organizing and providing lunches for First Communion, Confirmation, and RCIA candidates and purchasing educational materials.

Council 802 further provides financial and leadership support for parish Boy Scout activities. This year the Knights had a unique opportunity to support catholic scouting throughout.

Youth activities John Graupman

Building Leaders for the Future. As Knights of Columbus members, it is our responsibility to provide our youth with the means and the opportunities to become personally committed and involved in meeting the challenges of our times. As adult leaders we help mold the youth into influential citizens of tomorrow. We influence the youth of our community by becoming involved with them through supporting St. Patrick School, Catholic Youth Organizations, and Boy Scouts, and also by creating Knights of Columbus activities in which the youth of our community can participate.

The Youth Activities Program operates every month during our Council year. Our chief areas of youth activities begin with the newborn to the high scholar. We start with our Santa Visit to the three main hospitals. Santa brings toys and a Christmas card from the Knights of Columbus to those newly born and those little tots who are stuck in the hospital on Christmas Eve. For the slightly older tots we have our resident Easter Bunny hide hundreds of plastic eggs filled with goodies and prizes for an afternoon of fun and games searching for hidden eggs. The golden egg gets a grand prize. These tots are, also, involved with a Columbus Day Poster contest on Columbus Day. In fact we support our local Saint Patrick Catholic School with this and many other activities. We have a Creative Contraption Contest for the 3rd to 6th grade. Here each child is given a bag of gadgets, screws, sticks, string, clips, conon, etc. The students use their creativity to make a contraption using the gadgets supplied. The only items they can supply are a cardboard base, glue, or clear tape. A prize is awarded to the top three winners who show creativity without any obvious parental control. We support the school with a \$10,000 scholarship fund and other funds that may be needed throughout the year. As our youth become older they join the JrCYO and the CYO (Catholic Youth Organization). We support them going to Search and the State CYO Conventions by donations and by placing ads in the Convention's Program Guide. We also match funds they may raise to fund their own budget. They recently renovated their youth room and we helped sponsor the renovation with a \$500 donation. This is by no means a one-way street. To foster their growth and leadership, we have our CYO youths participate with us. They help us with many functions such as Santa's Visit, the Easter Egg Hunt, bell ringing for the Salvation Army, etc.

We also support our local Scouts, sponsor a Free Throw Contest, promote World Youth Day, participate in Special Olympics, and sponsor Drug Awareness.

Council 848 Jackson

I have the pleasure to serve in the role of Grand Knight for one of the best Knights of Columbus councils in the State of Mississippi. The best statement a Catholic man can make is to be seen as

active and involved in his community and parish. Involvement in our parish and community projects has allowed this council to be visible throughout our city and promote the virtues of our Fraternal Order. This year, our council was visible and actively involved in working the parish Habitat for Humanity project, preparing breakfast for the Crossroads team, who walk throughout the states calling attention to a fetus's Right to Life, repairing and beautifying parish grounds, participation in the Tootsie Roll sale for our mentally challenged citizens, promoting the Keep Christ in Christmas message through the sale of car magnets, leading the Public Square Rosary Crusade for the America Needs Fatima Project, organizing and running the parish 4th of July Extravaganza, preparing the food of the Fall festival, coordinating of the annual Catholic Night with the Mississippi Braves game, Hosting our Lenten Friday Fish Fry's, raising funds for the Priest Education Fund, as well as other activities too numerous to list.

Our members are active in every part of our parish life including, serving as Extraordinary Ministers, Ushers, Lectors, Choir Members, Youth Ministry, Retreat Coordinators, Parish Council Members, Boy Scout Leaders, and Board Members of our parish Catholic school. Our members are also active in various roles with in the community from political officers, doctors, lawyers, business owners, and hold roles as coaches, mentors, and community volunteers.

Through our Faith and Fraternity program we have hosted evening events such as an area Priest Appreciation Dinner, and evening with our Seminarians, a discussion on the Church's position on Stem Cell Research, and an evening with our local Catholic Political Officers. As these meetings are open to all Catholic men, we have the opportunity to share our Faith and our Fraternal Order with members of our parish as well as those from the other parishes in the area. These meetings have opened a whole new channel of membership growth for our council.

The council has rededicated itself to the Praying of the Rosary this year. We began every council business meeting with at least one decade and conclude each Faith and Fraternity program meeting with a full Rosary. We have gathered at the bedside of our ill members to pray, and have organized Rosary's for ill members of our parish. We have also served as the area captain for the America Needs Fatima Project

The council has supported the Right to Life, St Vincent DePaul Society, and the local Catholic Schools through both financial and volunteer assistance contributions. We have supported and encouraged our Catholic Boy Scouts in their attainment of their religious awards, and we are active participants in the RSVP program.

Our Council has hosted a Major Exemplification as well as 3 separate 1st degrees during the fraternal year. In addition, our council members are members of the 1st, 2nd, 3rd, and 4th Degree teams. The council also hosted this year's School of Columbianism as well as several State Officer team meetings during the course of the year. Furthermore, the council has the honor of being the lead council for the 2009 Mississippi State Convention.

Our achievement of "Stellar Council" this year extends the tradition of obtaining this level of involvement in the disciplines of Church, Council, Community, Family and Youth. This year we have had a fruitful year of recruiting new members, doubling our state goal with 12 new

members, and qualifying as a Top Gun Council after having attained the honor as a Double Star Council by the Supreme Councils standards.

With all of the achievements that this council has attained over the course of the past fraternal year, it is with great pride that I recognize the efforts of each and every member of this council. It is through great membership that a council succeeds. It is a pleasure to serve as Grand Knight for “The Great 848”

Sincerely in Christ

One of the charms of the Biloxi Council is its age. The council is over 100 years old, has over 300 members and 11 Past Grand Knights that are still very active. The treasurer and financial Secretary have been in place for over 35 years. Our council home is now fully restored and serves us well. We meet weekly and have an average of 30 members present at each meeting. We host quarterly awards banquets.

Frank Tarrant (PGK) is the degree team captain of our certified 1st and 2nd degree team. We schedule our own 1st degree initiations at the hall. State officers call on us to put on 2nd degree exemplifications as needed in the coastal area.

Church Activities - Our council draws its members from several parishes. We are closest geographically to Nativity BVM, the Cathedral of the Biloxi Diocese. Our church activities director Joe Ravita keeps members informed of all parishes' activities. He also organizes Corporate Communion to each parish.

Council Activities – Our council sponsored the state bowling tournament at Keesler AFB. We also had an in-house pool tournament and opened the hall for Superbowl Sunday. We participated in the National Tootsie Roll drive by collecting donations at our churches and at 3 stores on the weekend. We had key members attend the regional Mid Winter meeting and the School of Columbianism . Our ladies auxiliary have participated in the St Joseph's Altar at the Nativity School.

Community Activities - Our council hosted a blood drive for the Red Cross on a Saturday. We also had a fishing tournament. We manned a food booth at Nativity School Carnival in October and a drink booth at the 2nd annual Festival of Faith held around the cathedral grounds. The Hall was the collection point for the Asgards toy run. The motorcycle club sponsors the drive and drew some 500 participants in the event, which benefit under privileged children at Christmas time. The Biloxi Diocese handled the distribution.

Youth Activities – Our council sponsors a Boy Scout Troop 213. The members also volunteer at a week long summer camp at Camp Wilkes in June. We have also hosted a Halloween party at the hall for member's children and guest and a Christmas party.

Family Activities – Our Family Director, Pete Hebert, with input from our parish pastors, selects Family of the month recipients for each month. The individual and their families are invited to the awards banquet for the official presentation.

It has been a pleasure to serve as Grand Knight of the Biloxi Council this year. With all the experienced and active members taking bits of responsibility, it has truly been a pleasure to serve. I look forward to continuing my term however long it may be and then joining the long list of active Past Grand Knights.

Respectfully submitted,

Council 4898, St. Vincent de Paul Council, Long Beach

It is my honor to again report on the activities of the St. Vincent de Paul Council 4898 of Long Beach, Mississippi for fraternal year 2008-2009. As this now draws to a close my fifth year as Grand Knight of this council and I have elected to step out of the way for some younger leadership, I wish to use this report as a forum to also recognize some of the great men I have had the honor of leading these last years.

Elected this past term with me were: Darren Mayer – Deputy Grand Knight, Mike Morgan – Chancellor, Norman McDonald Jr. PSM, – Treasurer, Michael Daley – Recorder, Ennis Johnson – Warden, Andy Kovacs – Inside Guard, Jim Delinski – Outside Guard, 3 Year Trustee – Chuck Mink, 2 Year Trustee – Doc Holiday, 1 Year Trustee – Bill Seal, Financial Secretary – Rodney Sandoz, PSD.

All of these men have been of immeasurable assistance to me these years and any of them are more than ready to assume the leadership of this council. Mike Morgan and Darren Mayer have worked closely with me for the very purpose of making this a smooth transition to the next Grand Knight. Norman, Rodney and Bill, as the “senior leadership” of the council have been quite helpful and given much needed guidance to me as I have matured in this position.

I cannot imagine what these years after Katrina would have been like without their counsel. We have come to believe that Katrina, with all of her devastation and injury to our coast and to our parish, should have part of her legacy be viewed as a blessing as well. That storm and what it did to our parish gave our council and its Knights the ability to show what it means to be the strong right arm of the church! We went from being “the bingo group” to being THE service and sacrifice organization of our parish. Our time and talents will hopefully remain noticed in years to come.

For this fraternal year we were able to pursue projects in all phases of our duties as Knights. In detail:

Church Activities

- Many of our Knights are Eucharistic Ministers, Lectors, Commentators, School Advisory Board Members, Choir, CCD Instructors, Parish and Pastoral Council Members, and lay leadership in general

- We sponsored a blood drive through the American Red Cross
- We held a food drive for the local food pantry
- We grant the food pantry use of our property for a building and their works free of rent or charge
- Many of us serve as leaders of several civic boards in our town
- We held another blue mass for our first responders and military
- Donated a very valuable food warmer to the Cursillo Movement of South Mississippi

Council Activities

- We held a membership drive netting us several new members
- We have a very active and well practiced 1st degree team
- We still have a council website: www.longbeachkofc.org
- We have held many socials and awarded our Knights of the Quarter
- He had a Founder's Day party for the founding of our order after mass
- We celebrated our council's 49th anniversary this year on January 18th
- Converted a class room in our parish facility into a council meeting room

Family Activities

- We supported our Life Teen with purchasing food for some of their meetings
- We submitted Family of the Month entries each month
- We had several family outings
- We held a memorial mass for our fallen brothers
- We sponsored a marriage vow renewal mass on Valentine's Day
- We submitted a very worthy family for Family of the Year at the State Convention
- We cooked our world famous jambalaya for a Carnival Association Event
- We again cooked our even more world famous Funnel Cakes at our Parish Fall Festival

Youth Activities

- We supported a local Boy Scout troop with money and materials (tents)
- We have several of our KC men as coaches of several youth league teams
- We sponsored a substance abuse poster contest and awarded 2 \$100 savings bonds to the winners
- We sponsored our annual parish Easter Egg Hunt
- We again paid 2 \$500 scholarships to 6th graders graduating and going on to a Catholic High School
- We also cooked again for our Catholic Elementary School opening day and picnic

Worthy Sirs, it has been my pleasure to be associated with the men in this council and I look forward to working with them more in the future in whatever capacity that may be.

Sincerely,

Elvis B. Gates, Jr.

We had a very good year doing what the Knights are suppose to do. We built 2 handicap ramps for our deceased member wives. Held a fund raiser for one of our parishioner to help pay some of her insurances and bills, because her husband had cancer, donated \$2000, towards this project.

We held another fund raiser to buy a machine for another parishioner so his daughter could walk again. She was in an accident and has not been able to walk in a few years. We gave them \$2500. We also held a raffle to raise money to support the Seminarians and we raised \$4000. Beside this we had many more projects such as Painting the School Cafeteria, recovered all of the church pews, and kneelers. We cleaned the church and school yard. Finally we help out with many projects that Fr. Henry asked us.

Respectfully,

Carl Brochard

Council 6592, Bassfield

Bassfield Council has had a very exciting year in membership, being inactive for many years; we have brought in out state quota.

Our council continually stresses to serve not only our church but our community. We believe the Knights of Columbus are well known and respected in the Bassfield community.

During the past fraternal year we have been involved in numerous activities. Community wide we helped rebuild the high school goal posts and co-sponsored the football score board. Our council spear headed a community wide fund raiser for a disabled family. Church wide we sponsored a parish Christmas party and Easter egg hunt and cooked for the parish Oktoberfest. We held our annual draw down fund raiser in November, which was a great success.

I have greatly enjoyed being Grand Knight of the Bassfield Council.

Respectfully submitted,

Keith Applewhite

Council 6765, Fr. John P. Egan Council, Starkville

This year our council surpassed its membership and insurance goals with appreciable *Roundtable* growth at Corpus Christi in Macon. Church activities continue to be numerous as reported in past years. Council continued support of as many as 4 seminarians through the RSVP program

and provided parish support during Vocations Awareness Week. There was strong participation in Advent Prayer Breakfast series, Lenten Luncheon Series, monthly Pancake Breakfasts for vocations, KCIC card and magnet sales, Our Lady of Charity ICON Prayer Service, support of Dwelling Place retreat facility, and Lenten Fish Fries.

In the area of community activities, there was continued participation in pro-life activities and made monetary donation to the state pro-life fund. Again this year, three blood drives were successfully completed. Council members were active in the *Sweep Starkville Clean* project, Society of St. Vincent de Paul, and Advisory Board of the Boys and Girls Club.

Council and family activities continued at high levels. We continued with our degree work by hosting two First Degree Exemplifications and hosting our annual Major Degree in February. We participated in the KOM and FOM programs. Council Directory project was completed and distributed during the year. Council members participated in KC BBQ competition in Madison for the first time. Memorable socials are the Council Christmas Party, Super Bowl Party and BBQ dinner to name a few.

The council continued with strong support of the youth of our parish. Council members are very active as leaders in the Cub and Boy Scout programs. We continued with our monthly cooking for the College Student Association. Monetary contribution was made for a CYO State Convention Ad and toward a Youth Scholarship. A St. Patrick's Day dinner was provided for out-of-state and local college students working on Habitat for Humanity houses during their spring break.

Respectfully submitted,

Danny Setaro
Grand Knight

Council 6872, Oscar J. Gelpi Council, Picayune

The fraternal year started out with a very successful Tootsie Roll Drive, even though the first day was rained out. Our sales team collected \$5,100 for the mentally handicapped. We gave out over 600 carnations to the ladies of our parish for Mother's Day.

Our Monday night Bingo, held in our Hall, continues to be a successful fund raiser for our Council. Profits from our Bingo games enabled us to donate \$43,380.00 to the following charities: St. Vincent de Paul, St. Charles Borromeo Catholic Church, the Boy scouts, Save-A-Life, Priest Education Fund, our Seminarians, Christopher Fund, Scholarships, Habitat for Humanity, The Special Olympics, and numerous other organizations in the Picayune and Pearl River County area. We continue our monthly socials sponsored by the Ladies Auxiliary at which a Family of the Month is honored. Our Corporate Communion precedes our Social Saturday Nights and includes the Ladies Auxiliary, the Knights wives, family and guests.

We gave away over 100 food baskets at our annual Thanksgiving and Christmas food basket charity in November and December.

In January 2009, the Council erected nearly 4,000 white crosses in the field adjacent to the St. Charles Borromeo Church. The annual event represents the number of abortions committed in the country each day. This dramatic reminder is spreading through the community and a number of protestant churches have adopted our program. This is an annual program event each January in protest to Roe vs Wade.

Each February, our Council hosts a Blue Mass at St. Charles Borromeo Church to honor the Local "First Responders"; police, fire fighters and EMT's . The community has enthusiastically responded to this annual event, donating various "gift certificates" to be awarded to each of the honored guests. The various first responder organizations thank us each year for remembering them.

In Summary, even in these economically challenging times, this has been a very good year for our Council.

Fraternally,

Alfred B. Chrisman

Our scrapbook has won many awards at past State Conventions. We have ongoing socials for Knights and their wives who help make us stronger as a council.

Family Activities:

We strive to assist widows and families of deceased members. We hold a Memorial Mass at least once a year. Our church has a Fall Festival every year to raise money for debt reduction. The festival committee won't even consider scheduling it until we know when the Ole Miss home games are because we work a concession stand there as our major fundraiser. I think that says a lot for our council that they don't think they could be as successful without us Knights.

Community Activities:

Council 7120 promote Pro-Life Projects at Christ the King. Currently we're selling pro life car magnets with the proceeds benefiting a local women's center. We participate in the People with Intellectual Disabilities Drive yearly. We visit the sick. We participate in a food drives for local organizations. We also honor local Fire and Law Enforcement Officers.

Youth Activities:

We recognize youth liturgical participation. We provide rosaries to First Communicants. We provide breakfast to families at First Reconciliation. We also sponsor a Drug Awareness Poster Contest, a KC Free Throw Contest, a KC Soccer Challenge and a KC Essay Contest.

Growth:

Hernando Desoto Council 7120 added three new members to our council since June of 2008 and hopes to add two more at our April 2009 meeting. New Brother Knights: Anthony Curtis, Ryan McEndree and Fr. Tim Gray SCJ. We've gotten two transfers, Rob Satori from New Mexico and Tim Davis from South Carolina.

Knight of the Year:

Our Knight of the Year is Brother Mike Kuehnell. Mike only joined the Knights last year but he's already fully involved in our council activities. He seems to be at all our functions

helping set up, cook or clean up. He received his second and third degrees on Sept. 21, 2008 in Grenada. If more Knights were as enthusiastic as Mike, there's no telling how much we could accomplish.

Family of the Year:

Our Family of the year is Robert and Connie Purifoy. Together they make sure our events run smoothly. Robert is usually the first to arrive when there's work to be done, and sometimes last to leave, and Connie's right there with him. They are involved with church activities including the choir and our ladies group.

Our Knights were also present at all times for Holy Thursday Adoration, with four of our 4th degree members dressing in regalia and leading the procession around the church. One of our members taught bible study to adults each Sunday morning. One of our members facilitated the course on "Why Catholic." Our council also aided in the cooking at the parish's annual Bar-B-Que. Our council also prayed the Rosary before several masses this year.

COMMUNITY: Our council had a very successful Tootsie Roll Drive, with proceeds going to aid the Clinton Jr. High Life Skills program and the "Buddy Walk" for the Central Mississippi Down Syndrome Society. We also continued the collection of bicycles and clothing and delivered them to needy in at St. Michael's in Forest, Mississippi, where the proceeds were directed to paying the expenses for the Sisters from Mexico. We were also represented in the St. Patrick's Day by several of our 4th degree knights bearing flags and presenting prayer cards along the route.

COUNCIL: Our council sponsored a softball team, with players being comprised of knights as well as church members. We conducted a blood drive. Our council also conducted a 1st, 2nd, and 3rd degree exemplification in February that was a great success. On the first Sunday of each month, our council provided sausage and biscuits to raise money for priest education and other charities. This was a great way to meet parishioners new and old in our parish.

FAMILY: We contributed to a needy Knights family who required medical assistance. We also had a family outing around St. Valentine's Day at a local restaurant. These were some of our council's activities during our very active past year. Hopefully, we will add more activities in this following year.

I would like to personally thank our members, especially Tony Weisenberger for collecting, repairing and delivering bicycles to St. Michael's in Forest, Mississippi.

Council 8038, St. Jude Centennial Council, Pearl

It is with great honor that I have this opportunity to report on the activities of the St. Jude Centennial Council 8038. As you may know, I have directed the Council for two years and as is the case of my predecessors, this council continues to experience the effects of an aging Council.

Although we have made honorable gains in new membership from Catholics arriving by way of the RCIA program and members of St Jude Catholic Community, commitment for programs available with the Knights of Columbus has been tirelessly approached with limited results. Members are active supporting Church, Community, Family and Youth activities with Knights participating however, growth in developing Council Programs has been limited, in part, with the

continued demands placed on families balancing household and faith based activities supporting Father Gerald Hurley and the St Jude Community first.

Council 8038 is experiencing limited support to implement fully the available Council programs. It is perceived that the precious time of our members, supporting core family functions and the Church, is challenging individuals for additional commitment for Knight Activity and membership support. Within St. Jude's Church, as well as this Council, we have continued to explore alternatives to communicate with our community and members by electronic mail, the Parish website, traditional newsletters, and small group meetings to rapidly pass information without greater time-demands on our Knights. This strategy seems to work well in the parish, along with having a very receptive and diverse group of individuals in the Council. The core of dedicated members continues to meet the demands of Columbian activity with pride and professionalism, and I acknowledge all of their efforts to interchangeably perform tasks regardless of their assigned functions. I acknowledge them not for specific roles, but for the commitment they have displayed keeping the spirit of Father McGivney flourishing.

This fraternal year unfortunately closes with the 1 Year Anniversary of the devastating fire and loss of the Council's history and meeting location. The struggle to reestablish a permanent meeting location is coming closer to realization, with the shared plans of the Parish Council and Father Hurley, planning for shared space for the Knights of Columbus, with the addition to the Parish Hall. At this time, while the plans are not fully disclosed, the Council's future is most encouraging; the spirit of this proud Council has become more resolute to find the means to grow. This year we were humbled by the Jackson Area Councils donation of a set of flags (American and The Knights of Columbus flag) along with conducting a fund raiser to benefit the Council. Our State Leadership assisted in the reissuance of our Charter, again with modest acceptance.

While keeping this in perspective, we reflect positively on our accomplishments this year, and look forward to the coming years with a renewed dedication for maintaining the Church support we have accomplished, such as:

1. KC's assisting with the St. Jude Parish, and it's International Food Fair, Church and Rectory renovations;
2. Participating as Eucharistic Ministers, Ushers, Choir, and facilitate RCIA classes;
3. Keeping Christ in Christmas awareness with Christmas card Sales;
4. KC's visit sick and elderly shut-ins to deliver the Eucharist and morale visits;
5. KC's Mentally Impaired Drive for Persons with Disabilities;
6. Sponsor a KC Corporate Mass and Blue Mass in honor of Law Enforcement, and Military personnel;
7. Assist in the expansion and growth of the St. Stephens, Magee, MS Roundtable;
8. Leadership and support for CYO during fund-raising events and Religious Education Programs and special adorations;
9. Support the Church by staffing cooks and servers at fried catfish dinners each week during the Lenten season and:

10. Conduct the Annual Crawfish Boil.

During this time as we end one liturgical season, and fraternal year, I would be remiss not to recognize our extraordinary District Deputy Philip Jabour, and the rest of the Mississippi Knights of Columbus State Council for their guidance and motivation. I truly appreciate the opportunity to lead this Council during the previous two years, and look forward to the support to the challenges ahead for this Council.

For the Good of the Order: Celebrate contributions of members who have died this fraternal year to join our Father, Son our Savior and the Holy Spirit - Raymond Bianca 3rd Degree – August 3, 2008, Wayne Mc Carty 3rd Degree – January 24, 2009 and James Harris Dunn 3rd Degree – March 26, 2009.

Through the tireless recruitment efforts of our members, Council 9094 was awarded the Double Star Award for doubling its Supreme membership quota. Our target goal this fraternal year is to once again win the coveted Double Star Award which will be for the third consecutive year. I have many individuals to thank for our success; it is definitely a team effort. If it were not for the tremendous support and spiritual guidance provided by our Worth Council Chaplain, Fr. Bob Higginbotham, we would not have had the successes we enjoy.

The council sponsored a food booth at the chamber's Old Time Trade Days event and participates in City's the Adopt-a-Highway program. The crowds really swell at our monthly socials where sometimes 50 or more members and their families attend. We recognize our Family and Knight of the Month at each social. Our council has a monthly newsletter and maintains an active web page. Our new member recruitment drives have been very successful (a total of 16 new members) which means we have doubled Supreme's membership quota. Other Council Activities include, but not limited to:

- Held a Fraternal Benefits Information night (46 in attendance)

- Our Council was honored with the Best Large Council Award in 2008

FAMILY ACTIVITIES: Noel Aucoin - Chair

- Our Family Activities program is the backbone of our council's strength. The success of our council can be directly attributed to programs we conduct that involve our families. Our council sponsors frequent family pot luck dinners and spear-head the annual Supper and Substance for our parish families. We are strong believers in honoring our Family of the Month (submitted nomination forms to Supreme every month) and have submitted our best to the State for Family of the Year consideration. Our council also hosted activities during Supreme's National Family Week and council proudly sponsors a bi-monthly Family Corporate Communion Mass. Other Council Activities include, but not limited to:

- Families participated in the parish's annual Fall Festival as a group
- Held a Third Degree Exemplification in honor of a deceased council member
- Coordinated with our Ladies Auxiliary to have our meetings and theirs on the same night to increase attendance in both organizations.
- Sponsored both a Fathers and Mothers Day program

YOUTH ACTIVITIES: Stephen Dunn – Chair

- We have a very robust Youth Activity program within our council. We have had at least one of our young contestants place in the State's Drug Awareness Poster Contest for the past several years. This and the Knights of Columbus Essay Contest are very popular programs for our council. Our council not only held a local Free Throw Contest, but also hosted the District Contest as well. One member and his wife served as the adult leaders for our parish CYO. Others have served as chaperons during the CYO State Convention. Another KC couple provides training to our parish's altar servers. Other Youth Activities include, but not limited to:

- Adopted our parish elementary school to provide manpower, supplies, coaching, and mentoring. Includes cleaning school grounds and painting.
- Assisted in the school's Thanksgiving Lunch Program
- Provides manpower each year to the Special Olympics State Summer games
- Funded sponsorship to one individual to travel aboard in an exchange program

Even though our council has grown by leaps and bounds the past few years, we have not lost focus on our purpose or our commitment to our Order's core values. We believe in Father McGivney's dream and try to cultivate his vision with those around us. I am surrounded by supportive Knights of Columbus; there not much we cannot do when asked or an idea is suggested. We are currently re-modeling the old parish rectory building into a Parish Life Center that when finished will be dedicated to our Associate Pastor, Fr. Dennis Harlow.

In closing, it is indeed an honor to serve as Grand Knight of Council 9094. I sincerely enjoy working towards a common goal serving our Church, Community, our families and youth.

Council 9543 St. Francis of Assisi Council Madison

Serving as Grand Knight of St. Francis of Assisi Council 9543 in Madison has been the most rewarding experience in my ten years as a member of the Knight of Columbus. Our council is very active and energetic and I wish every knight in the Mississippi jurisdiction could experience the pride and joy of leading one of the most recognized and esteemed councils in the state. It's an opportunity I will always cherish and remember.

We began our fraternal year with 152 people attending our Mass, Installation of Officers and Awards Banquet. As usual our council cooking team prepared a delicious meal.

Communication is extremely important in the overall success of a council and our members are continually informed via daily emails from our Grand Knight and Program Director, a monthly newsletter and maintaining a council website. In addition to communication, the support of the pastor is also vital to the success of a council. Fortunately, our pastor, who is our chaplain, attends all of our monthly meetings to give us a spiritual message and he repeatedly praises the council from the pulpit for the many things we do for the church and community.

As crucial as communication and the support of the pastor are to a council's success, we believe that the life blood of a council is membership and recruiting. This is number one on our list of priorities. While we have reached Top Gun status in our recruiting efforts this year, our prime concern is about the quality of the members we recruit instead of the quantity. And quality has definitely been our forte, because with fourteen new members achieving the status of Knight in Shining Armor this fraternal year, we now enjoy the unique distinction of having thirty-four Knights in Shining Armor. We are very proud of this accomplishment and believe it to be unmatched by any other council in the Mississippi Jurisdiction.

Membership recruitment being so important, our council takes a very active role in the exemplification process. We have a complete First Degree Team of Exemplars within our council and do First Degree initiations every month within our district. We also have a full Third Degree Team of Exemplars within our council. In addition, a Past Grand Knight and our current Program Director both serve as Fourth Degree Exemplars. We feel sure that our council is more involved in the initiation of new knights and their advancement to full knighthood than any other council in the state of Mississippi.

An eye catching council brochure and a professionally produced DVD that provide information about our council and its activities are two things we make available to prospects during our recruiting efforts. These are invaluable recruiting tools that help us answer the two questions we hear most from prospective members: "Who *are* the Knights of Columbus?" and "Why should I join *your* council?"

We hosted a Fourth Degree Exemplification and eighteen of the thirty-three candidates who became new Sir Knights were members of our council. The candidates from our council alone exceeded the minimum fifteen needed to hold a Fourth Degree Exemplification.

Council Activities

We conducted activities and projects in eleven different areas on the mandatory church activities list this past fraternal year.

The council is especially proud that on one occasion we stepped up to the plate and kept one of the church's major annual fundraisers from being cancelled. At the end of all the weekend Masses in mid March of 2008, our pastor announced that the church's annual May fundraiser, "Cajun Fest", was being cancelled because of the inability to find a couple to serve as chairpersons. Immediately after the 8:00 am Sunday Mass, our Grand Knight went directly to our pastor and committed the Knights of Columbus to accepting the chairmanship. The Grand Knight, Deputy Grand Knight and Program Director served as co-chairmen. In addition to the 62 knights that devoted over 300 hours to Cajun Fest, many of their wives, children and other family members were also involved and we were able to get a large number of parishioners and many of our youth to participate. Despite the declining economy, the parishioners and youth followed the lead of the knights and "Cajun Fest 2008", turned out to be one of the best in many years.

The other major annual church fundraiser, "The Gala Drawdown", had always been held in mid December at a local Country Club. The Country Club provided the facilities, the food and the adult beverages. The cost of the Gala kept rising and finally forced the planning committee to

consider an alternative that could reduce expenses and increase net profit without negatively impacting the ambiance. The committee decided the church's Family Life Center was large enough to comfortably accommodate the crowd if well decorated and arranged properly. The committee also knew from previous experience that the Knights of Columbus had the manpower, the equipment and the culinary talent to prepare and serve a variety and quality of food that would definitely equal and probably surpass that of the food served by the country club. The committee asked the council for our help and we accepted. The end result was that the Gala was a huge success. The council received tremendous acclamation for the food and the ultimate goal of more net profit to the church was realized.

We conducted a very successful membership drive this year. We recognized a Knight of the month, a Knight of the year and submitted a Knight of the Year nomination at the convention. We conducted a memorial service for deceased Knights. We held quarterly corporate communions and socials.

Proudly, we purchased an American flag and also conducted a special fundraiser to provide financial help to another council in our district after they lost their council home and the contents in a tragic fire.

Church Activities

We conducted twelve activities from the list of church program areas and in some areas we did more than one activity.

Many Knights take an active role in the spiritual life of the parish. Thirty-four Knights and/or their wives serve as Eucharistic Ministers, twelve Knights serve as lectors, eleven Knights serve as Ministers of Hospitality, four Knights serve as Cantors, and eight Knights serve as sound board operators. A Knight serves as the coordinator of the lectors, the coordinator of the Eucharistic Ministers, the coordinator of Ministers of Hospitality, and the coordinator of the sound board operators. In addition, Knights serve as Sunday school teachers and are active in the Small Church Community Scripture study program. A Knight serves as the coordinator of the Small Church Community Program and Knights also serve on the Finance Committee and the Pastoral Council.

On Fridays during Lent, a Knight leads the rosary, coordinates the Stations of the Cross and the council prepares and serves a meatless meal. All net proceeds are dedicated to the Education of Future Priests. Other church activities include sponsoring a Keep Christ in Christmas card sale program, adopting a family for Christmas and helping deliver the gifts to the families adopted by the church. The council supports the activities of the missionary work by our youth in Saltillo. We donated to the Christopher Fund. The local clergy and the diocesan clergy were recognized this fraternal year with appreciation dinners on four separate occasions.

In February, we held our first annual council retreat. Two local priests, who are pastors at other churches in our area, served as our retreat directors. This spiritual experience proved to be an excellent opportunity for the members of our council to grow spiritually by discussing and sharing their faith with their brother knights.

We sponsor an annual Golf Tournament with all the proceeds going to priest's education. During this fraternal year, we proudly donated over \$10,000.00 to the Seminarian Fund. Our council strives to live up to the motto "In Solidarity with our Priests."

We provided maintenance and upkeep at the church by trimming 179 trees and hauling off 20 trailer loads of limbs, installed concrete car stoppers in the parking lots, repainted, repaired and refurbished a fountain in the courtyard, restored the wooden and iron benches in the church courtyard and built an office for our associate pastor.

Family Activities

We conducted an activity from eight of the family activities listed and in some categories we did more than one activity.

We sponsored a quarterly family communion followed by a pot luck dinner and social. We recognized a family of the month and family of the year and submitted a family of the year at the convention.

Many Knights and their families attended the Family Night at a Mississippi Braves professional baseball game at Trustmark Park.

We provided a young family in our community with financial assistance. We helped one brother Knight with the packing and loading of furniture and personal belongings to a new home in our area and we helped with the packing and loading of the large moving trucks for two of our brother knights and their families who moved to other states. We sent Christmas cards and care packages to our brave soldiers in Iraq and Afghanistan reminding them they were in our prayers and hopefully they would soon return home safe and sound to their families.

We held an annual Council Family Campout in November and it was extremely well attended. The widows of our deceased brother Knights were invited and seven widows attended the campout. The council prayed the rosary, and at the beginning of each decade, one or more of the widows lit a candle in memory of her deceased spouse. Our pastor celebrated a memorial mass in their honor and at the end of Mass each widow was presented a beautiful red rose and the candle they had previously lit. There were activities for the kids, the ladies gathered and chatted around the campfire, while the Knights watched a football game. The council provided all the meat and each family attending brought a vegetable or dessert. The delicious meal Saturday night was followed with a yummy breakfast Sunday morning. We took advantage of the beautiful weather in the afternoon by having a closest to the pin golf competition. This special fundraiser generated over \$200 and all the proceeds were donated to the local council in our district who lost their council home in a tragic fire.

Youth Activities

We conducted an activity or project in eight of the listed youth activities and more than one in some areas.

We participated in the Knights of Columbus free throw competition. We have several Knights that serve as scout leaders and several Knights that serve as soccer coaches and referees. One Knight coaches, referees and also serves as the commissioner of a soccer league.

We held a Pumpkin Carving contest for at Halloween and we held a Kite Flying contest and Frisbee Golf contest for the youth of the parish.

For the past 15 years, the council has been barbequing chickens on Super Bowl Sunday for the annual fundraiser for the boy scouts. This year, eleven Knights spent 77 man hours cooking over 800 chicken halves. The Knights lit the charcoal and fired up the eight large grills at 1:00 am Sunday morning and the last chicken half was taken off the grill at 9:00 am.

We actively support the local Catholic High School with an annual \$1,000.00 scholarship to a deserving student selected by the school. Knights cooked all the food for the concession stand for the five home football games. We cooked a breakfast for the cheerleaders and the football team, catered four athletic banquets and catered a senior parent and student banquet serving about 250 people. The council catered the school's annual fundraiser, "The Drawdown", and served over 1,000 people.

We cooked for the youth Advent Fair and helped raise funds for the youth mission trip to Saltillo. We also donated funds for the Saltillo missionary trip by sponsoring one of the youths.

Community Activities

We conducted an activity or project in eight categories on the list of Community activities.

The council participated in the Tootsie Roll drive for Mentally Challenged, sponsored a Blood Drive, and visited the sick and the elderly. Knights pray the rosary to promote the right to life and the council donated to the Pro-Life Memorial Fund. Knights are also volunteer servers at the Stewpot soup kitchen. The council donated funds and provided labor for the Habitat for Humanity project. We installed a new floor in the Mustard Seed facility. We helped feed the Gustav victims.

Our council cooking team catered the Outdoorama for the Mississippi Fisheries and Wildlife Agencies and also the fundraiser for the Sacred Heart School.

The council sponsored the annual "Grillin for Life" barbeque competition and this year we proudly generated and donated over \$7,000 to "Right to Life".

Conclusion

One of our greatest assets is our council cooking team and we have earned a tremendous reputation for our culinary talents. Cooking requests come from parishioners within our church and also organizations and residents within our community. Catering gigs provide the largest portion of our revenue while allowing the council the opportunity to promote Columbianism and Evangelize.

A few of our cooking gigs at church this year included, the Advent Fair, the six Lenten meals, the monthly parish dinners, four priest's appreciation dinners, and preparation of all the food at Cajun Fest and the Gala Drawdown, which are our church's two largest fundraisers.

Some of our community cooking gigs this year were the Outdoorama for the Mississippi Fisheries and Wildlife Agencies, the five local Catholic high school home football games, breakfast for the cheerleaders and football team, the high school parent student dinner, a Founder's Day banquet for another council in our district, the barbeque chicken cooking for the boy scouts, the drawdown for the Sacred Heart School, feeding the police and firemen in our community, four high school athletic banquets and the St. Joseph Catholic High School Drawdown.

The diversity of the menus and the large number of people served make the St. Joseph Catholic High School Drawdown, the Cajun Fest, and the Gala Drawdown are our largest cooking gigs; both in size and financial benefit to the council. The menus include oysters on the half shell, oysters Rockefeller, crab and corn bisque, crawfish etouffée, seafood pasta, boiled shrimp, crawfish and crab pies, baked catfish, beef shish-kabob, vegetable shish-kabob, pork tenderloin, beef tenderloin, smoked turkey, smoked chicken legs, sautéed sausage with onions and bell peppers, scalloped potatoes, green beans, corn macque choux and various fresh fruits, salads and desserts

This has been a tremendously exciting and successful fraternal year and it has been a privilege and honor to serve as Grand Knight of Council 9543. The bottom line is that just one small three letter word succinctly describes our fraternal year **WOW!**

As a first year Grand Knight, it has been my honor and pleasure to be representing these 184 Brother Knights that make up our council, 10216, Brandon MS. We are members of St. Paul Catholic Church and are extremely fortunate to have our true leader, Father Brian Carroll as our Chaplin. As a group, we have shown that we can do God's work at the same time building a bond amongst ourselves and our families that will never be untied. At our founder's day, our Bishops and pastor spoke of how pleased they were with us but the ultimate compliment came from our guest of a State Representative. He said that the love that exists between our council as brothers is so very evident to him in everything we do.

Through the grace of God and the dedication of so many brother knights, we accomplished quite a bit this year. I will try to put some of the highlights in bullet form, in no particular order.

- All meetings start with a Rosary, dedicated to a need in our parish, our families or community.
- We come together to share a meal before each monthly meeting.

- Pro Life Baby Item drive 2 to 3 times yearly.

Grand Knight

Council 11956 Tylertown

It was a busy year for our small Council. We added 4 new members and had two Knights transfer into the Council. We are presently at 40 members. Unfortunately, we lost two Knights, but we know they are enjoying eternal happiness with the Lord.

We spent time with our favorite charity, 'Camp Sunshine' in McComb, MS. This is a camp put on by the Junior League of McComb and takes place the 1st week after the 4th of July. It is a one week event that serves handicapped children and adults, with no funding other than donations. We have a fundraiser planned, and will cook chicken dinners to help defray some of the camp's expenses. Our Knights helped with their special Olympics and with their fishing rodeo. We had such a good time, that we actually gained two new Knights from the volunteers from our Parish.

We continue to cook and serve fresh beignets every second Sunday, for the Priests Education Fund. We also try to serve a breakfast for the Parish family quarterly. We do fish fry's for Ash Wednesday and the first five Fridays during Lent, in conjunction with Stations of the Cross. Every December, we host a county wide 'Beignets with Santa.'

For the 4th year, eight Knights and one town supervisor/ electrician install a one mile, drive through Christmas display with, I would estimate, at least a half million lights or more. 'Christmas in the Park' in Tylertown is not as large as the New Orleans 'Celebration in the Oaks', but upwards of 800 cars have been known to drive through in a single night. We also participate in the town's annual Christmas parade and 4th of July parade. One member of our Council serves as Santa for the town's Christmas Parade and we do traffic control for both parades. Four members of our Council are members of the local American Legion Post, and our Grand Knight is currently serving as 2nd Vice Commander. Because of this involvement, for the third year, we are cooking for the Post's only fundraiser. We also maintain a food booth at the towns annual 'Dairy Festival.'

Besides working around the Church, installing lights and doing electrical and carpentry work, we also purchased a statue of St. Joseph for our Church. We have our core group of 12 to 15 Knights that show up for almost all of the work details and functions. Since most of us enjoy cooking, we always have plenty of help for our cooking projects. We have a Knight in charge of 'work days', both for the Council and for the Parish. We also have a group of Knights dedicated to assisting our widows. We hope to continue in the coming year, with our new Grand Knight and Financial Secretary in place.

In closing, I would like to thank all of my brother Knights, and our Worthy District Deputy, Larry Everett, for their guidance and direction for the past four years. Most importantly, I'd like to thank our Financial Secretary for his dedication and support in taking over the food bank for our past brother Pete Guidry. It was his will that we continue to support St. Theresa's food bank. Brother Nadeau took the lead in supporting St. Theresa's Food Bank. In his honor the council has set up a fund in his name in support of St. Theresa's food bank. Pete Guidry will be sadly missed by everyone in our council but mostly by me as he was an outstanding Deputy Grand Knight. I'm just saddened that he never got the opportunity to be the Grand Knight.

It has been a rewarding experience each year to serve as the Grand Knight for Council 12271. Although a medium council, we are large at heart. The drive and enthusiasm displayed by my brother Knights is remarkable and has been a source of great inspiration for me. I look forward to the upcoming year and the challenges that lay ahead.

This year has been a very trying year for the council, through much adversity the council has regrouped and still came up with some wonderful projects.

The council decided to move the Lenten fish fry to Walmart which turned out to be a wonderful decision, the people at Walmart was very helpful and the council had a great time selling plates lunches. With out the ladies Auxiliary it would have been almost impossible. For such a small council we have accomplished a lot. The Brothers and the ladies auxiliary are a special group of individuals that despite of many problems they perform gratefully. It has been a great privilege to be the grand knight with such hard workers. This year the council has lost two of our Brother Knights Ed Kilian and Stanley S. McCarty these two brothers will be missed.

Council 14051 Olive Branch

This is our third year as a council. We have made great progress over the past year. Our officers were installed on July 20, 2008 after our quarterly Corp. Communion service. My goal as G.K. is to make our council just a little bit better, and I believe we are on our way. All program chairmen positions have been filled. Our Chaplin is Fr. Terry Langley S.C.J. Assembly 3081 provides an Honor Guard on a quarterly basis at Mass

We have members who are Deacons, Eucharistic Ministers, Lectors, Ushers, and Choir members. We have sponsored Lenten fish-frys, soup suppers and cooked for the Parish pic-nic.

We went to Grillin for Life and brought home three medals. Our members participated in a pro life program called Life Chain in Oct. We sponsored a Soccer Challenge at the Parish Fun Fest. A memorial Mass was said for our fallen Knights and we treated the widows to lunch, they were as all lady Knights presented with flowers.

We have made all regional and state meetings. Our council has held several recruitments and are in the process of our BLITZ. Our Light up for Christ program is very popular and is well attended. Members helped with the Christmas tree lot and sold Keep Christ in Christmas car magnets as a fundraiser. Our men have provided an honor guard for the May Crowning and sponsor the Marian Hour of Prayer. We also process at our Corpus Christi service

Our youth chaimen accompanies the youth group on thier annual canoe trip, we support them with a cash donation.

.Members have also performed repair/clean-up of one member widows home. We have in place a First Degree Team and held our first Exemplification On March 23rd. A big thank-you to Bro. Ron Kopacz, team leader, and to our Worthy D.D. Bill Sonnemann. We as a council now have a great tool for recruitment.

The Council participates in Knight of the Month. We sold Tootsie Rolls in support of the P.I.D. program. We donate to the Priest education fund and supplied gift cards to the needy at Christmas time

I am thankful for all the hard work our members, officers, and program leaders put into this council, it is they who truly make council #14051 just a little bit better.

DISTRICT DEPUTY REPORTS

District Deputy #1, Ray Ball:

My first year as District Deputy has been an exciting and rewarding year for me. I have visited all of my Councils at lease twice this year, Presenting two awards to Oxford, The Civic Award and The Vocation Award. Keep up the good work Oxford.

My District held Three 1st Degree Exemplifications this year. Two in Oxford and One in Tupelo with Tupelo and Corinth combining their First Degree Teams. They inducted Fourteen new Knights at this Exemplification.

My District held the Knights of Columbus District and Regional Free Through Championship\ in Tupelo in March. I presented Trophies and Medallions to the winners.

I attended the School of Columbianism and the State Meeting for the northern district which was hosted by Council 8848 in Tupelo.

Yes it has truly been a exciting and rewarding year for me. I am looking forward to serving the Knights of Columbus and the first District next year.

District Deputy #3, Dr. M. Wayne Ebelhar

As I complete a fourth and final year of service as District Deputy #3 for the Mississippi Jurisdiction of the Knights of Columbus, I can reflect back on the rewards and challenges of the Knights of Columbus in a region that has only 1 to 2% Catholics. I have work with Councils within my district over the year and hope I have made some progress. I have continued to learn about the Knights and the workings of other councils within the district and across the state. have learned more each year with respect to the duties of the District Deputy. It has been an honor and a privilege for me to serve as District Deputy for the five councils in my district. I have had the opportunity to serve the following councils:

Fr. Korstenbroek	Council 2134	Greenville	Bernie Brown, GK
C. G. Shapley	Council 2945	Leland	Jimmy Sherman, GK
Msgr. John F. Cleric	Council 5267	Greenwood	Barry Acy, GK
Fr. Rotondo	Council 5556	Cleveland	Luis Ybarra, GK
Indianola	Council 9234	Indianola	Joe Tannehill, GK

I had the opportunity to install officers in Greenville, Leland, Greenwood, and Cleveland and look forward to continuing the relationships that I have developed during the last four years. It has been worth while visiting councils and seeing them prosper. All councils face similar problems whether they are large or small. Membership gains continue to be a problem in the

Delta for many councils and that message is difficult to get across to those from more prosperous areas. Retention is the key to success and often the means for progress.

Serving as District Deputy has afforded me the opportunity to see how different councils operate and to experience first-hand the fraternal nature of the Knights of Columbus throughout the state. I am better able to glean ideas from other councils to share with all our councils. I commend the leadership of the Knights of Columbus for their efforts in the state of Mississippi. It takes a special individual to dedicate the time necessary for success.

I would like to take this opportunity to thank State Deputy Danny Lechner and the other members of the State Family for their support and confidence and for their leadership throughout the two dioceses. The past year has been good for Mississippi as we continue to make a comeback from the devastating effects of Hurricanes Katrina and Rita. Mississippi is on the map!

Remember the principals of Charity, Unity, Fraternity, and Patriotism, while also remembering at very simple motto that consist of ten 2-letter words: ***IF IT IS TO BE, IT IS UP TO ME!***

I wish to express my appreciation for being allowed to serve as DD in district 5 for the past year.

The Councils are: 848 Jackson
 898 Vicksburg
 8285 Jackson
 7854 Clinton

All of the Councils in this district are great and very active. Three of the four increased the size of the Council and worked very hard all many and very good projects that advanced to cause of Knighthood in all of the five areas of activity. Two of the four were Gun and gained Star Council status.

I wish to thank the Grand Knights and their officers for a job well done and Danny Lechner, State Deputy for the opportunity to serve. It is an important and challenging job. I will always remember the experience with gratitude and humility.

District Deputy #6, Philip Jabour

My District consists of:

8038 Pearl/ 9543 Madison/ 10216 Brandon/ 11934 Gluckstadt

Worthy State Deputy Danny Lechner asked me to serve a third year as DD #6 and I accepted. I enjoy working with the Councils in District 6.

The District had an exceptional year for membership growth. We are showing over 200% growth on the Supreme report and three councils should achieve Top Gun. This is the eleventh year in a row that Brandon has earned Top Gun. Having Field Agent Paul Byrne move into the area has been a big help with insurance numbers. All four Councils have a realistic chance to make Star Council and two could make Double Star. We should have three Councils earn Stellar and one Council of Excellence. My brother Knights in District 6 have worked hard and have done an outstanding job this year. We were honored to be named an "All Star District" in 2008 by Supreme. I believe only 8 Districts order wide earned that honor. The award is given to a District where all Councils earn Star or Double Star Council.

All four Councils participated in the Tootsie Roll drive last year and are scheduled to again this year. All four also sold Christmas Cards for the Keep Christ in Christmas project. Both of these projects go to the heart of what Knights of Columbus are about. We help the kids in need with one project and help our fellow Catholics remember the real reason for Christmas with the other. What is important is the birth of Christ, not what gifts we give or receive.

Pearl had GK Frank Tinney serve a second year. Frank helped them earn Star Council last year and was instrumental in Pearl's bringing in new members. They still have a round table in Magee and are working on getting them to the Council level. They cooked catfish every Friday

(Continued on next page)

night during lent. They lost their Council trailer to a fire in 2008, but Father Hurley is working with them to get a permanent meeting place.

Madison GK Charles Wilkerson served for his first year. As DGK Charles had spearheaded the recruitment and they had another banner year under his leadership as GK. They worked with the Parish to serve meals on Fridays during Lent. They did their golf tournament for Priest Education again this year. Madison continued to be very supportive of St. Joseph Catholic school in Madison. They cook for all their home football games, their annual Draw Down and their athletic banquets. The Council has gained a reputation for being good cooks and they cook for many events in the area. They did an appreciation dinner for the Priests this year. Charles plans for them to earn Double Star again this year.

Brandon was lead by GK Kevin Odonnell this year. They are also very active in membership as well as programs and earned Double Star Council in 2008. They serve breakfast for the Parish one Sunday a month, ending on Mothers Day with a Champagne Brunch. They tied in a baby shower for Pro Life with a breakfast this year and collected donations and supplies for the cause. It is important to support the mothers who choose to have their babies as well as to work against abortion. The Council also had their annual Priest Appreciation dinner for St. Paddy's day. The Priests in the area seemed to enjoy it. The Knights are also very supportive of the youth and the church. They cooked monthly for the youth and serve as leaders for Confirmation and work with the RCIA class in the Parish.

Gluckstadt had Joe Best serve his second year. As with all Grand Knights he learned a lot his first year and put that to good use this year. GK Best worked hard and they made Double Star Council in 2008. They started a new program where they passed out baby bottles at Mass that were used to donate for Pro Life. The Council cooked catfish on Fridays during Lent and led a special Stations of the Cross. They did a dinner to raise money for the youth and are very active in the annual German Fest that the Parish has every year. The church has grown a great deal since becoming a Parish and the Knights have grown as well. Father Kevin is very supportive and attends meetings when he does not have a conflict.

District #7 consists of four councils; Bassfield Council 6592, Grand Knight Keith Applewhite; Brookhaven Council 7915, Grand Knight Earl Westfall; McComb Council 8054, Grand Knight O’Neal Amedee and Natchez Council 1034, Grand Knight Fred Voss.

During the past year, I have had the pleasure to visit each council on numerous occasions. The fraternal spirit was always there and visits were constructive and enjoyable.

Each Grand Knight has his council welfare a priority. Working with the Grand Knight, the Deputy Grand Knights assure that their councils promote the ideals and values very dear to our heritage. All councils work closely with their parishes and all engage in community activities.

The district still has only one certified first degree team, located at the Brookhaven Council. Membership was active in District #7, however, suspensions always negate the hard work of recruitment.

The pride of District #7 was the enthusiasm and momentum of the Bassfield Council which for many years has been membership inactive. With their new leadership they have experienced membership growth and are definitely on the correct track.

I wish to thank all councils for working together with me during my term as their District Deputy. I thank the past State Deputy, Larry Tubor for asking me to serve as one of his District Deputies and current State Deputy, Danny Lechner for continuing me in this position.

It has been my honor and privilege to serve as District Deputy of District #8 for the past year. My district consists of:

Council	Parish	City	Grand Knight
1908	Sacred Heart	Hattiesburg	GK, Lynn Landrum
2180	Immaculate Conception	Laurel	GK, Dan Nelson
7211	Our Lady of Perpetual Help	Lumberton	GK, Alberto Esquivel

11654	St. Francis	Perkinston/Wiggins	GK, Donald Booth
11956	St. Paul	Tylertown	GK, Pat Altentaler
13936	Holy Trinity	Columbia	GK, Lynwood Ridge

After my installation in June, I conducted three Council officers' installations. During the past year, I have had the opportunity to visit all councils in my district as well as had several phone conversations with the Grand Knights. I want to thank the Grand Knights, officers and members for welcoming me to their meetings, functions and events.

This past year we had four new Grand Knights in our District. All Councils in my District are in good standing with Supreme. From the reports I've received and visits, our District has been very active in Church, Community, Youth, Council and Family service activities. Each Council in my District continues to demonstrate the principals of the Third Degree (Charity, Unity and Fraternity).

Although I am convinced every Council did a good job this last year, I feel every Council can strive for improvement in the upcoming fraternal year. I look forward to working with the Grand Knights and Councils this next year.

Thank you to our Grand Knights and the members of their Councils for their continuing work for the good of the order.

Faithfully submitted,

Benito (Ben) Velasquez

District Deputy #9, Michael G. Spencer

My district consists of six Councils:

Council	Location	Name	Grand Knight
1522	Bay St Louis, MS	Pere Le Duc	Tony Dixon
6872	Picayune, MS	Oscar J. Gelphi	Al Chrisman
7087	Kiln, MS	Fr. A.C. Dennis	Jimmie Hoda
9958	Lizana, MS	St. Ann	Kenneth Mayfield
11995	Pass Christian, MS	Fr. R.J. Sorin	George Holtz
12331	Pass Christian, MS	Sacred Heart Dedeaux	Larry Neicase

The year has been a very trying one. I had traded out one council and took on new one. I have one council whom has failed to file any paperwork as of this writing and has been in jeopardy of being suspended by Supreme for failure to pay per capita dues. Paperwork seems to be the ongoing problem within this district.

I made membership recruitment and the insurance program a top priority within my district this year, and getting insurance members has not been a big problem. Each council except one has

brought in at least one new member. Membership is still a big priority, which I think is linked to paperwork. Some council's still have not received credit for new members.

Two council's within my District I believe are headed down the road to having their charters pulled. This is a drastic measure but I think it is the only way to get the problems resolved.

In summary, this has been a very difficult year but we will grow as a district. What doesn't kill us will only make us stronger.

Fraternally,
Michael G. Spencer
District Deputy #9

District Deputy #10, James Everett

The 2008-2009 fraternal year has been bittersweet. We brought in a lot of new members this year but disappointingly, we allowed too many Brother Knights drop out of our brotherhood. We must ask ourselves, did we do enough to encourage them to stay.

Our councils #4898 and #4472 experienced good success in recruiting new members. Council #7910 had growth but was hurt with a large number of suspensions. Council #112271 remains strong but small. Councils #11541 and #1583 are functioning. An infusion of young new members would do wonders for both councils. Council #1583 is in their building but does not have it totally operational. They hope to have things completed in the next several months.

As we approach the new fraternal year, my emphasis will be directed toward retention and doing a better job of working with our filed agents. We were extremely weak in signing new members with our insurance offerings.

I enjoyed working with all the Grand Knights and their officers and look forward to working with them again.

I would be remiss if I didn't congratulate Brother Elvis Gates. He will be taking the position of State Program Director. He has been an outstanding Grand Knight for Council 4898 and I look forward to working with him in this new capacity.

Fraternally

District Deputy #11, Arthur Dunn

It has been an honor and privilege to serve the last four years as District Deputy # 11 of the Mississippi Jurisdiction. The councils in District# 11 include Council 1244, Biloxi, GK Michael Arguelles. Council 9094, D'Iberville, GK David Seymour, Council 9409, West Biloxi, GK Lonnie White, and Council 9673, Woolmarket, GK John Caruso.

During the past year, I have had the opportunity to visit all councils in my district as well as numerous phone conversations with each offering my services and the services of the state officers in any way to aid their council in achieving there goals. Under the guidance of each councils Grand Knight, all councils submitted all required reports, they continue to support and are very active in their parish and community activities. All councils participated in the annual drive for People with Intellectual Disabilities and the Priest/Seminarian Fund.

District # 11 consist of councils 9094 in D'Iberville, my home council, council 1244 in Biloxi, council 9409 in West Biloxi, and 9673 in Woolmarket. For the fraternal year 2008-2009, I have had the pleasure of installing officers in these four councils in my district. All four council Grand Knights and membership directors have worked very hard to attain their individual membership goals. Councils 9673 and 1244 have increased their membership and are on target for Star Council. Council 9094 has achieved the distinction of being a Top Gun and Double Star council. All councils continue to work very closely with their parish priests, community, and church.

Currently in District # 11 we have 2 certified First Degree teams, 1244 Biloxi and 9673 Woolmarket. Hopefully we will be able to certify a Second Degree team this fraternal year.

May God continue to bless us all with His love and mercy. As members of the Knights of Columbus we need to reach out to all Catholic gentlemen and invite them to join our Order and experience the joy of being a Knight of Columbus.

Worthy State Deputy, State Officers, My Brother Knights:

I am very grateful and honored to have been given the privilege of serving as District Deputy under two outstanding State Deputies, Larry Tabor and Danny Lechner.

These past four years have been very challenging, inspirational, and gratifying all at the same time. At times a bit controversial, at times laced with sadness at the loss of a brother or his wife, an occasional disappointment, but always, Charity, Unity, and Fraternity "won the day." In all I could not have asked for a more gratifying four years experience!

My Councils: 1605, 5654, 9124, 10499, 11904, 12166, and St. Ann's Roundtable/Hurley, have shown that they have what it takes to overcome disastrous circumstances and to re-build not only their own lives, but their Councils and Parishes as well.

Our Grand Knights and their staffs with the help and co-operation of their Ladies' auxiliaries and Pastors have done wonders. This is reflected not only in "membership-growth", but also in the success of the many programs and projects that they have been involved in. HATS OFF TO ALL!!

I pray my successor will receive the respect and co-operation and support that I've enjoyed during my four terms, and I stand ready to help him in any way I can if he needs it.

Again my thanks to P.S.D. Tabor and State Deputy Lechner for trusting me with the job and my profound gratitude to the Grand Knights, Officers and members of District #12 whose combined efforts made us so successful. VIVAT JESUS!

STATE OFFICER REPORTS

State Deputy Report

Your Excellencies, Worthy Supreme Representative, Worthy State Officers, Worthy District Deputies, Worthy Insurance General Agent, Worthy Past State Deputies, worthy delegates, and my brother Knights.

It has been an honor to have served as your State Deputy for the Mississippi Jurisdiction for the past 2 years. My duties as State Deputy, this year, began in early June, as I was accompanied by my wife, Roberta, to the State Deputy training at Supreme Headquarters in New Haven, Connecticut. It was quite an experience to once again meet and socialize with the Supreme Officers, Board of Directors, and my fellow State Deputies. It was a time for learning, making lasting friendships, and learning more about our beloved order.

On July 12th, the State organizational meeting was held at Our Lady of Fatima church in Biloxi. Following the meeting, the State officers and District Deputies were installed at 5:00 pm Mass by Archbishop Thomas Rodi. The Southern Regional meeting was held on July 13, the Northern Regional, July 19, and the Central Regional, July 20.

In November, I attended the Supreme Mid-Winter meeting in Dallas-Fort worth, Texas. The meeting was dedicated to helping State Deputies attain their goals. In December we held our State Mid-Winter meeting, followed by the Southern, Northern and Central Regional meetings in January.

This year, our councils have carried on the fight for the Sanctity of life, supported our Bishops, priest, and Seminarians and consoled bereaved relatives. Also, members donated many volunteer hours and monetary contributions to those in need. Sadly, we have lost many dedicated brother Knights this year through death. It is our responsibility to recruit new members to carry on the great works that they started.

We have traveled a long way together, but the journey has just started. There are two areas that we have the opportunity to improve on. One area is submittal of reports in a timely manner. We can and will do this through training and communication. The other is membership retention. We can retain most of our members by establishing good programs and keeping our members active. Brothers, this being my last year as your State Deputy, I would like to thank the following:

Archbishop Rodi and Bishop Latino for their support, guidance, and friendship.

The best State officers, District Deputies, and Committee chairmen, a State Deputy could ask for.

The wives and loved ones who support us.

And most of all, our Lord and Savior, Jesus Christ, for giving his life for all of us.

Brothers remember the reason why we do what we do. It's what Jesus wants us to do.

Vivat Jesus,
Danny Lechner

State Secretary's Report

Worthy Bishops, Worthy Supreme Representative Patrick S. Korten, Worthy State Officers, Brother Knights:

First, and most important, I want to take this opportunity to thank you for giving me the privilege of serving this past year as State Secretary. I must also thank my fellow state officers, and especially our State Deputy, Danny Lechner, for an outstanding job and a good year.

St. Francis of Assisi said, "Preach the Gospel always, and when necessary, use words." A special thanks goes to all of the Councils of the Mississippi jurisdiction for their effective preaching of the Gospel through their programs, especially those in support of the Church and their Communities.

One of my additional duties is to organize each year the Order of the Engineer ceremony preceding Commencement. It is a short ceremony reminding engineering graduates of their ethical duties, and to act with integrity, tolerance and respect. Part of the obligation they take states "Were it not for this heritage of accumulated experience, my efforts would be feeble." Such is true not just for the profession of engineering, but for any successful organization. It is certainly true for the Mississippi Jurisdiction of the Knights of Columbus. We acknowledge the accomplishments of our present State Deputy, Grand Knights and their predecessors. Were it not for them, our efforts would indeed be feeble.

Finally, I would be remiss in my duties as State Secretary if I did not remind everyone that all State Officers, Grand Knights, District Deputies, State Deputies, Program, Membership and Committee chairs, as well as all Convention Committee chairs owe me a short report for publication in the Convention Minute Book. You did it last year; I am confident you can do it again.

State Advocate's Report

My worthy brother knights;

My duties and responsibilities as your State Advocate for past year have consisted of interpreting the laws and rules of our Order and applying them to certain situations, mainly consisting of whether certain individuals are eligible to join the order or if certain actions taken by members merit disciplinary action from a council, or whether a grand knight has the authority to spend council funds in certain situations. I have been happy to apply my skills and render my opinion or obtain an explanation from Supreme for certain inquiries.

On a personal note, I want to encourage each delegate to reflect upon the principles of charity, unity, fraternity and patriotism and to see how they can further these principles in their lives. Look for ways to adopt these principles in your everyday life. Promote your council and the Order through prayer and action. May Jesus Christ continue to bless you, your families, your parishes and your councils. Vivat Jesus.

Respectfully and fraternally submitted,

David Scott
State Advocate

State Warden's Report

In 2008, you hired me for a second year as your State Warden. I hope my work is still to your satisfaction.

As State Warden, I've maintained a current record of all state assets, conducted regular physical audits, insured the State Council Chamber was set up properly for State and regional meetings, and insured none but qualified members were present. Just as a Council Warden should do.

I've traveled a little over 9,400 miles this year.

It's been my pleasure to have spent time with many of you, met your families, attended your council events, visited Council widows with Al Chrisman in Picayune, and attended the funerals of Ely Shapley in Greenville and George Fero in Ocean Springs. Each was an honor for me.

I want to thank my brother District Deputies for their support and assistance at state meetings and within their districts. The goals you have reached helped your Councils, the goals you didn't will also challenge your successor.

Some of you will become senior DDs in July. Guiding the new men falls on your shoulders. You have an obligation to carry on the tradition of being their mentors and conscience, just as the outgoing DDs did for you. For some of you, this will be your last convention as a District Deputy. You will miss the

job. You will miss the people. But you are part of a brotherhood, an elite group that understands what it means to make a difference. Don't stop.

I want to thank my fellows state officers for their support and confidence; and my boss, Danny Lechner for his personal attention to help me be a better officer and a better listener.

Finally, I thank each of you for allowing me the privilege of serving you. It is a duty I find agreeable.

Respectfully submitted,

Jim McCraw

Immediate Past State Deputy's Report

Your Excellencies, Reverend Fathers, Worthy State Officers, Worthy Supreme Representative, Worthy Past State Deputies, Worthy District Deputies, honorable delegates to the 105th Annual Mississippi Knights of Columbus, my brothers all:

It is indeed an honor to join you in this weekend's activities; a time in which we come together as a State organization to acknowledge our accomplishments of the past year and to chart out an effective plan for the upcoming fraternal year.

I would like to sincerely thank the convention host councils for their extraordinary efforts in planning for and carrying out this year's convention. I am particularly thankful for them recognizing the Past State Deputies of the Mississippi Jurisdiction as the honorees of this convention.

After a long weekend road trip attending the Northern and Central Region mid-year meeting held in January, I had an epiphany that evening while trying to get to sleep. Still feeling the effects of the day's activities and the long drive back home, I may have been too tired to sleep. Then the thought struck me—this convention would honor the Past State Deputies of the Mississippi Jurisdiction – how appropriate; not because I am now part of that honored group, but for what unselfish contributions those who have served before me have made to promote Columbianism in our State.

My mind was racing as I tried to get to sleep, but the visions were as bright as though they happened yesterday. I could see back to my days as a member and then as Grand Knight of Council 9094 as I received my first introduction to our state-level organization. PSD Guy Todaro was our District Deputy and the State Deputy at the time was Robert Fratesi. In a flash, I remembered my first convention in Tupelo, April 1989. At that time I was still a little reserved and skeptical of goings-on of the state, add that to the fact I was still on active duty with the Air Force and knew better than to volunteer for anything that I was not absolutely sure would involve manual labor, I arrived at then State Secretary Marvin Lott's registration table to present my credentials as I was duly instructed. Surrounded by many boxes and yellow manila envelopes, it appeared to my untrained eye that this man was somewhat disorganized and was undoubtedly in

need of help. As the State Secretary read my name from the delegate slip, he said “Brother Larry, I need your help at this year’s convention”. Whoa, I thought; I haven’t been here 15 minutes and they are already trying to suck me in to work and I haven’t even had time to visit a hospitality room yet! However, later I discovered that Marvin was up for election as our State Deputy—the light came on and I began to understand our organization a bit better.

In what looked like a news reel running in my head, I could see myself in the time I served as District Deputy. It was an amazing Technicolor visualization. I could see snap shots of Past State Deputies at various state-level meetings. Sometimes their interjections were humorous while others were more formal in order to keep us on track. In my mind’s eye I could clearly see how each the Past State Deputies made an impression upon me. I then thought of the State Deputies I had known who are no longer with us—such as Wiley Price, Fred Westbrook, and Norman Kiehm. These men were from the old school in my book, they formulated the cornerstones and building blocks of the Mississippi Knights of Columbus which have made this great organization what it is today.

As the picture in my head was fading, I understood what this all this stuff spinning in my head meant and concluded: In their own special and unique way, each and every State Deputy contributed some significant part that which ensured the success of the Mississippi Knights of Columbus that we share today. This is our Order’s culture. We are a brotherhood, a Catholic men’s fraternal benefit organization.

My two years as State Deputy is just a small snap shot in time as compared to the number of years the Knights have been establish in this State. I can only predict my tenure will be remembered by the catastrophic event that affected the entire State in August 2005, just 2 short months into my term. Although that was a very stressful time for us all, you had to experience from my perspective. I can honestly say Katrina made this organization stronger than ever. Everyone pulled together—knights and their families from within and outside of this Jurisdiction—the entire Order came to our aid.

In a very short time, our current State Deputy will take on a new role and once again oust me from a rewarding position. I wish Danny the best of luck and the other State Officers as well as they continue in their journey leading the Mississippi Knights of Columbus.

Words alone cannot adequately convey my sincerest appreciation for your friendship, your guidance and wisdom, your support and concern, and most of all, your love through the years. I pledge my continued support as best I can and in any capacity that I can. May God Bless and Keep you all!

Say, you Worthy Past State Deputies sitting back there in the cheap seats---save me a chair for next year!

VIVAT JESUS!

LARRY J. TABOR
Immediate Past State Deputy

Forth Degree Master's Report

Your Excellencies, Reverend Father, Worthy State Officers, Worthy Supreme Representative, Worth Past State Deputies, Worthy District Deputies, Honorable Delegates to the 105th Annual meeting of the Mississippi Knights of Columbus, my brothers all:

It is indeed an honor to serve as the District Master of the Mississippi Fourth Degree.

The purpose of this report is to provide you with current information on the condition and progress of the Assemblies of this Jurisdiction. As of 1 April 2009, the Mississippi District has 32 Assemblies and 1583 Sir Knights. The District has gained 124 new members thus far this fraternal year beginning 1 July 2008. Ten (10) Assemblies have met or exceeded their membership quota. Congratulations to Assembly 3007 of D'Iberville and Assembly 2269 of Madison for surpassing their membership quota above 300 per cent.

On the opposite side of the spectrum, we have at least 5 Assemblies that have shown little or no activity. It has been difficult to even identify a responsible Assembly officer to obtain Assembly information.

As part of the Bienville Province, which is comprised of Districts in Louisiana, Tennessee, Arkansas, Alabama, and Mississippi, our District leads in the highest percent gained this fraternal year. Since 1 July 2008, the Mississippi District has held 4 Exemplifications thanks to the host Assemblies from Madison, D'Iberville, Starkville, and Biloxi. As of today I have no other Fourth Degree Exemplifications scheduled. However, the Corinth Assembly has expressed an interest in hosting a degree.

As with the Third Degree, membership growth in the Fourth Degree is paramount to our Order's continuance and success. Membership recruitment for the Fourth Degree begins with each Assembly. However, it is equally important that each Third Degree council, especially the Grand Knight, to actively promote interest in their members to become members of the Fourth Degree.

In the last six months I have noticed a great deal of publicity for the Mississippi Fourth Degree Assemblies within the State. Congratulations to those Assemblies for their public relations efforts.

Next month, May 15-16, at Keesler Air Force Base in Biloxi, the Mississippi Special Olympics will hold their summer games. As in years past, I invite members of the Fourth Degree Honor Guard to dress out and be a part of the opening ceremonies to welcome over 1000 athletes accompanied by two Airmen each. It is a spectacular sight and what better way to showcase our patriotism than a honor guard performing on a military installation.

Earlier this afternoon we held our annual Fourth Degree meeting. There were 17 Assemblies represented and 43 Sir Knights in attendance.

In closing, I want to thank State Deputy Danny Lechner for affording me the opportunity to serve as District Master. Thanks also to the State Officers for their continued support.

Respectfully submitted,

Larry J. Tabor, IPSD

STATE COMMITTEE CHAIR REPORTS

State Program for People with Intellectual Disabilities Report

In the last 12 months the economy of the United States and indeed the world has seen a decline that most of us have not seen in our lifetime. The People with Intellectual Disabilities Foundation is no exception. The amount received from the 29 Councils who sent in funds was \$72,803.91. This amount is about \$25,000.00 less than last year. This means we are down about 25%. I just wish my IRA was only down 25%.

I want to thank all of you who did send in moneys in these troubling times, because the facilities we help support were in the same situation as we all are. It was also a year that one of our best sources for funds changed the way they distribute funds. Walmart started a "Grant" type program instead of the "Matching Funds" type program. This new "Grant" program seemed to depend a lot on the store manager, if he or she wanted to help you and turn in your form. I don't intend to discredit anyone that is just the type of response we got in my area.

This past January the Foundation Board of Directors distributed \$11,000.00 to statewide type facilities. This was down also from previous years. Just to give you some numbers, in 2006 we distributed \$34,500.00, in 2007 we distributed \$22,000.00 and in 2008 we distributed \$16,000.00. By these figures you can judge for yourselves where we are headed.

Again, thanks to the Councils who contributed and to the few who sent in donations, I, we appreciate your help.

This year for the 2009-10 State Council year I have purchased insurance for the week of May 17 through 23, for those Councils who take advantage of this time to have your fundraising activities. GOOD LUCK and may we have a better year in 2009-10.

Father Michael J. McGivney Guild Chairman's Report

The purpose of the Father Michael J. McGivney Guild is simply to spread the news about our Founder and to promote his cause for beatification and ultimately canonization. To have our founder raised to the honors of the altar would, indeed, be a blessing to each and every member of the Order. What I simply do not understand is why each and every Knight in our jurisdiction is not a member of the Guild. It costs you absolutely nothing to join or to maintain your membership in the Guild. You will receive the Guild Newsletter which has all of the latest news on the progress of the cause for canonization. Presently there are more than 130,000 members of the Guild but this is but a fraction of the total Order membership. Closer to home, in our own jurisdiction we have but 862 members of the Guild. As chairman, I can only request that you give every consideration to becoming a member of the Father Michael J. McGivney Guild. Who knows what favor you may receive from your membership. You can join by way of the K of C website (www.kofc.org) or by sending an application to Supreme via snail mail. But whatever way you join, I simply ask you to join those who are already members of the Guild and thus promote the day when we will list our Founder as Saint Father Michael J. McGivney.

State Family Director's Report

This year we had an increase in councils turning in a Family of the Month. This is the first time since I have been the State Family Director, that we had 4 Councils receive Family of the Month from Supreme in one month. I have notified the councils, which councils turned in a Family each month, and what Families received the Family of the Month from Supreme. I would like to have in line for the next Family Director the E-Mail address for all Grand Knights and Council Family director so we can increase the amount of councils that turn in a Family. I think this will help the State Family Director to stay a one on one with each Council. This need to happen at the School of Columbium.

Thanks for allowing me to serve as State Family Director.

In 2008 Mississippi Knights distributed over 12,000 spiritual messages and raised more than \$1,950 for charity. The Mississippi State Council took in \$455.50 for 2008. I would like to thank all the participating councils and their dedicated chairmen for a job well done.

The following councils took part in the keep Christ in Christmas program:

Bishop R. O. Gerow Fund Report

The Bishop R.O. Gerow (priest education) program was an outstanding success this year. A total of \$90,465 was raised and donated to our bishops. My thanks and gratitude go out to all of you who made this year so special. As always, we should now step up to a new challenge to surpass this amount and have 100% participation by our councils, assemblies and ladies auxiliaries.

State Pro-Life Couple Report

Let us express our thanks to State Deputy, Danny Lechner for asking us to serve our brother Knights and their families for this fraternal year as your Prolife Couple for the Mississippi State Council as we endeavor to develop and foster a greater appreciation for the Culture of Life and all the issues that it entails.

Through the fraternal year have tried to alert our councils to various Prolife activities via E-mail to encourage their active participation. It is my firm belief that faithful Catholic families desire to and will get involve in prolife causes but they stumble on how to do so. With that thought in mind, our focus has been to provide the council leaders with concrete ideas at the three times of the year when all councils are represented - the Schools of Columbianism, the Mid-Year Meetings and at the State Convention.

We encouraged all Councils to use the Respect Life 2008 packets printed by the US Conference of Catholic Bishops which are distributed by the Supreme Council to all Financial Secretaries each September for use in October – Respect Life Month. These packets are also sent to each parish. This effort is funded by the Knights of Columbus.

The following is a list of our activities for the July 2008 – June 2009 Fraternal Year

- Participated as a member of the planning team for 2008 Grillin' for Life fundraiser.
- Sent 64 Emails for statewide distribution through our Good of the Order distribution list
- Offered advice to the Hattiesburg area Knights as they helped form and fund a new Birthright office in Hattiesburg.
- Spoke on stem cell research at Council 848 in Jackson in October 2008.
- Urged Knights to schedule a time to pray at the abortion clinic in Jackson as part of the 40 Days for Life fall campaign.
- Met with the Sanctity of Life Foundation President, Joe Brinck in Nov. 2008 to discuss a concerted effort to pray at the abortion clinic.
- Member of the new Prolife Committee of Catholic Charities in Jackson. Helped develop a Catholic Charities prolife brochure.
- Vice President of Birthright of Jackson. Quarterly Board of Director's meetings.
- Responded to prolife information request by Roy Guy from Olive Branch Council 14051
- Shipped "Defend Life" KC signs to coastal councils for use in annual Prayer Chain.
- Distributed prolife information and materials at the April 2009 state convention in Jackson.

At the 2008 School of Columbianism we provided each Grand Knight, District Deputy and State Officer with prolife brochures and literature and provided the following ideas. I suggest you do a couple of simple things before our April 2009 State Convention:

1. **Encourage your members to pray** for an increased Respect for Life among people. **There are prayer cards and a prolife prayer booklet enclosed.**
2. **Contact the nearest Crisis Pregnancy Counseling Center** on the enclosed sheet and ask them what you can do for their organization. Involve your youth minister

in any project done to benefit this center. **There is a list of these centers in Mississippi enclosed.**

3. **Make a small donation to the Mississippi Memorial ProLife Statewide Fund.** Surely every council, assembly and ladies auxiliary can afford an annual \$25.00 donation. Since 2001 only 32 councils (58%), 3 assemblies (12%) and 1 ladies auxiliary (5%) have ever donated to this statewide Knights of Columbus fund!
4. **Use the prolife search engine powered by Google - go to <http://www.prolifeinternet.com/>** 100% of profits donated to prolife organizations.
5. **Use the Annual Respect Life information mailed to each Financial Secretary in September of each year** from the US Conference of Catholic Bishops. Our Supreme Council funded this effort.
6. **Involve the youth of your parish.** Contact your parish youth director about involving the youth of your parish in a prolife activity. It could be prayer or talks by teachers or your pastor. A great idea is to sponsor a baby shower to collect donations of money, clothes and baby supplies for your local pregnancy counseling center.

Here are some simple things we all can do to support a Culture of Life:

1. **Pray for a growing Respect For Life. Pray to end Abortion and the Death Penalty Start every Rosary you and your council says with those intentions.**
2. **Educate your council, assembly and ladies auxiliary members on the Catholic teachings and beliefs on these subjects by asking your pastor to talk at one of your meetings or in your adult education program**
3. **Express to other that you are prolife by wearing a precious feet lapel pin, or by putting ProLife Bumper Sticker on your vehicles.**
4. **Hold a fundraiser and donate the money to a local prolife group or the Mississippi Memorial ProLife Fund. Since 2001 only 32 councils (58%), 3 assemblies (12%) and 1 ladies auxiliary (5%) have donated to this statewide Knights of Columbus fund. Our goal should be 100% participation. Try to donate at least \$25.00 to this fund annually. (see attached report for a listing of donations).**
5. **Use prolife checks.** Copy the order sheet from Promise Checks and provide to your members at your meetings. Prolife checks are at:

Call 1-800-977-6647, Monday - Friday, 8:00 AM to 8:00 PM Eastern Time

DO NOT ORDER FROM LIFE CHECKS IN JOPPA, MISSOURI - THEY ALSO PRINT FOR PLANNED PARENTHOOD

6. **Switch to a phone company that donates a portion of your bill to ProLife organizations.** Attached is a sheet from Pro Life Communications. Make your church office aware that Verizon, Bell South, SBC, AT& T and Sprint match employee contributions to Planned Parenthood - the largest abortion provider in the US. These companies also sponsor gay, lesbian, bisexual and transgender employee groups. In 2003 AT & T and MCI reported over 1 billion dollars in dial-a-porn revenue. Did you know that by doing business with these companies you are helping them support these causes? **Viable, alternative phone service providers do exist.**

ProLife Communications 1-877- 878-5433; www.prolifecomm.com

7. **Sponsor a child in a developing nation for \$30.00/month or make a donation.** See the sheet from the Christian Foundation for Children and Aging whose program is grounded in Catholic Social Teaching. Christian Foundation for Children & Aging, 1-800-875-6564; www.cfcausa.org
8. **Invest your money in mutual funds that only buy stock in companies that support Catholic values and teachings.** Contact the following companies.

State Program Director's Report

Introduction

It has my pleasure to serve the Mississippi Knights of Columbus, in this capacity, for the past two years. I have seen marketable improvement in participation in Program reporting and Council involvement in award submittals in these two years. I have truly enjoyed traveling the State during the 2008-2009 Schools of Columbianism and Mid-winter meetings. I cherish the time spent with old friends and have been privilege to have met many new ones this Fraternal year.

2008-2009 Reporting Status (major reports)

The following numbers represent the State's report status as of the end of the State Fraternal Year:

Form 185 – list of council officers – All councils reporting with the exception of 3 councils
Form 365 – list of service program chairs – All councils reporting with the exception of 12 councils
Form 1295 – semi-annual audit – All councils reporting with the exception of 6 councils
Form 1728 – survey of fraternal activities – All councils reporting with the exception of 2 councils

State Programs Activity Report (check the box report) – 50 of 59 councils submitted reports.

Although not 100% these results are much improved from 2007-2008

2008-2009 Activity Award Submittals

This year the number of Program write-ups doubled and in many cases tripled and judging these activities was a daunting task. I would like to thank the State Officers, Program Chairs and Convention Delegates for their help in determining this year's winners. CONGRATULATIONS to all this year's winners.

State Membership Director's Report

It has been my honor to serve the Mississippi Jurisdiction as the State Membership Chairman for the last two years. The many brother knights that have met during that time has given me a greater appreciation for the hard work and dedication that they have for improving their councils, communities and their parishes. I am very proud to have had a small part in their progress over the years.

MEMBERSHIP

As in the previous year our yearly goal for each Council was a net increase of four percent. Top Gun Councils were to achieve a net increase of eight percent. No council's net goal would be larger than ten new members with Top Gun requirement of twenty. The top proposer program was continued once again this year.

We once again had hoped to achieve our goal of 400 new Knights this year. While we did not achieve our goal, we did have another good year for recruitment. Our gross increase was approximately 301 with a net increase of 215 new knights. It appears that our efforts at retention are beginning to pay dividends in that our loses were only around 20% after deaths and withdrawals. This is a considerable improvement over last year when our loses were around 31%. Of the 59 Councils in the Mississippi Jurisdiction, 11 councils did not add a single new member during the year, which was a small improvement over last year when we had 13 councils not recruit a new member. On the other hand, 28 councils reached or exceeded their goal. Of that number, 10 councils reached their goals and 18 councils achieved Top Gun status. On the flip side, the jurisdiction had 9 councils that had a net loss of members due to suspensions, transfers, withdrawals and deaths.

Insurance growth this past year was still disappointing, but was a huge improvement over last year. We still experienced around a 25% lose in insurance members due to suspensions, withdrawals or the dropping of their policies. The state achieved a 1.15% growth rate in insurance members. We have succeeded in lowering the losses of insurance members, we a greater emphasis needs to be placed in how important the insurance program is to our members and their families financial security. Our founder, Father Michael J. McGivney, started the Knights of Columbus to take care of the widows and orphans, but we can do that if we don't get our members to think more about their future and that of their families if they should be called to see our Heavenly Father.

Once again this year I had difficulty getting the names of all the proposers for the Top Proposer Program. There was more cooperation this year than last, but it still took many phone calls, e-mails and personal contact to obtain all the data needed to accurately give all of our proposers the credit due them for their hard work and dedication to the order. The top proposers by region for each quarter of the State Fraternal year 2008-2009 are listed below:

RETENTION

The Retention of our brother Knights continues to be a problem within the Mississippi Jurisdiction. During the 2008-2009 state fraternal year, for every 3 new members that were brought in to the order within the state, we lost 1 brother. The ratio for insurance members was even worse. For every 3 new insurance members that was recruited, we lost 2 insurance

members. While we end up with a net gain in both areas, the loss ratio is still too high. We are losing far too many brother knights.

I encourage all councils and members to work harder to keep these brother knights in the order and get them more active in their councils, parishes and communities. We do not need to be the stumbling block that causes our brothers to fall. We owe it to them to keep them in the knights and the strong arm of the Church.

NEW COUNCIL DEVELOPMENT

During the 2008-2009 there were no new councils started in the state. There are a couple of prospective sites, but at this time no action has been taken.

ROUND TABLE DEVELOPMENT

While round tables have been a great tool to give the Knights of Columbus a presence in every parish, they are being greatly underutilized in the state. During the past year there were only 12 round tables established and maintained within the state. More attention needs to be placed on starting and maintaining the round tables in all the parishes in both Dioceses.

In closing I would like to say that we had a successful year in recruiting, but we can do better. We all must be more diligent in our recruiting and retention efforts for the Mississippi jurisdiction. We have been given a task by our Lord to bring all of his children closer to him and to help protect them from all the trials and tribulations that we all face. That is what the Knights of Columbus is all about. Let us take this task seriously and work even harder in the upcoming year.
