Team Event:

Sunday, March 4
10:00 AM

TOURNAMENT RULES:

1. USBC rules and the following shall govern this tournament.
2. Open to all members of the Knights of Columbus, Ladies Auxiliary and Columbian Squires in good standing.
3. There will be one cash prize awarded for each five entries as prize funds allow including all events. Suitable trophies will be awarded to the winners in each event.
4. Individual handicaps will be computed on the basis of 90% of the differences between each average and 200.
5. Entering average:
 - a. Last season highest USBC league average of 21 or more games.
 - b. If no average last year, use highest current season USBC average at the time of entry for 21 or more games.
 - c. Bowlers with neither of the above averages must bowl scratch.
 - d. If current season average for at least 21 games at the time of bowling exceeds last season's average by 10 or more pins, current season average must be used (Rule 319a, Item 2).
6. It is each bowler's responsibility to verify the accuracy of their own average in handicap or classified tournaments, whether originally submitted by the bowler, the team captain or others. Failure to use the correct average may disqualify the score if submitted average is lower than correct average, thereby resulting in a lower classification or more handicap. Prize winnings will be based on the submitted average, if it is higher than the correct average. (Rule 319a, Item 3). Substitutions in each event are allowed, provided the tournament chairman is notified at least 30 minutes prior to the scheduled time to bowl and the average of the substitute is certified.
7. A bowler may, if necessary, bowl in the team event twice, and the team may bowl later after the first round with one bowler bowling twice. The first team event score shall count toward all events score. Bowl one time only in singles and doubles. An entry in singles must include doubles entry and vice versa. Entry forms must be complete showing all data requested.
8. Telescores will be official records of scores, and any errors in scoring must be reported before transferring to recap sheet.
