Submitted By:

Fr. John Egan Council 6765, Starkville

**Resolutions to the Delegates of the 106th Annual State Convention
of the Mississippi Jurisdiction of the Knights of Columbus**

RESOLUTION No 12

Whereas,

The State Convention provides a wonderful opportunity for knights and their families to share fraternity, renew friendships and meet state and religious leaders, and

Whereas,

Some members do not attend the convention even when it is in easy driving distance because of financial or time concerns, and

Whereas,

Many of these members are up and coming leaders, new to the Order who could be energized by the convention atmosphere, widows or seniors who wish to come for the day, attend a mass, visit friends and go home before the evening activities, and

Whereas,

Some ladies attend the Memorial Mass and the Ladies Luncheon but would like to be official convention attendees and receive packets, and

Whereas,

The Convention Committee wishes to make all these individuals welcome and attract them to the Convention, even if it's for the day, particularly in the more densely populated areas of the State,

Now Therefore, Be It Resolved,

The Convention Committee will include an option for a non-delegate registration fee of \$10 that entitles the person to be a registered convention attendee, receive a name tag, gift and the same benefits as other registered attendees.

Be it Further Resolved,

This fee does not apply to delegates or non-delegates who select the full package to include both dinners.

Recommendation: The committee felt this would be charging members for something they are entitled to, and were unable to find merit. Therefore, at the recommendation of the committee, I move rejection.

Action: Recommendation Approved by the State Council.

**Resolutions to the Delegates of the 106th Annual State Convention
of the Mississippi Jurisdiction of the Knights of Columbus**

RESOLUTION No 13

Whereas,

Article X, Section I provides for Amendments to the Bylaws of the Mississippi State Council of the Knights of Columbus, and

Whereas,

Article VI, Section 4 of the Bylaws of the Mississippi State Council of the Knights of Columbus provides:

Per Capita Tax: The per capita tax of the Mississippi State Council shall be the amount per member per year approved at the last State Council meeting on which a Per Capita Tax Resolution was adopted, payable one-half on August 1 each year based upon the membership figures of July 1 and the other one-half payable on February 1 each year based upon the membership figures of January 1 in accord with Section 118(c) and (d) of the Supreme Council by-laws, provided. Inactive insurance members as described in Section 69(b) of the Charter Constitution and Laws of the Knights of Columbus will be assessed and credited State Per Capita Tax using the same procedure as does the Supreme Council with their per capita assessments and credits. However, the Per Capita Tax may be changed by two thirds (2/3) vote of the State Council Meeting or as otherwise provided in these By-Laws.

Whereas,

It is not feasible for the State Council to assess inactive insurance members using the same procedure as does the Supreme Council with their per capita assessments and credits,

Now, Therefore Be it Resolved,

Article VI, Section 4 of the Mississippi State Council Bylaws is hereby amended as follows:

Per Capita Tax: The per capita tax of the Mississippi State Council shall be the amount per member per year approved at the last State Council meeting on which a Per Capita Tax Resolution was adopted, payable one-half on August 1 each year based upon the membership figures of July 1 and the other one-half payable on February 1 each year based upon the membership figures of January 1 in accord with Section 118(c) and (d) of the Supreme Council Bylaws. However, the per capita tax may be changed by two thirds (2/3) vote of the State Council Meeting or as otherwise provided in these Bylaws.

Recommendation: On recommendation of the Resolutions Committee, I move Adoption of Resolution 13.

Action: Recommendation approved by State Council.

**Resolutions to the Delegates of the 106th Annual State Convention
of the Mississippi Jurisdiction of the Knights of Columbus**

RESOLUTION No 14

Whereas,

Article VI, Section 4 of the Mississippi State Council By-Laws provides in part that the per capita tax of the Mississippi State Council shall be the amount per member per year approved at the last State Council meeting on which a Per Capita Tax Resolution was adopted, and

Now, Therefore Be It Resolved,

That pursuant to Article VI, Section 4 of the Mississippi State Council By-Laws, the per capita tax of the Mississippi State Council for regular Insurance and Associate members shall be Eight Dollars (\$8.00) per member per year, and

Be it Further Resolved,

That per capita tax on Honorary members shall be Two Dollars and Seventy cents (\$2.70) per member per year, both payable on half (1/2) on August 1st of each year, based on the membership totals of July 1 and the other on half (1/2) payable on February 1 each year based on the membership totals of January 1, in accordance with Section 118 (c) and (d) of the Charter, Constitution and Laws of the Order.

Be It Further Resolved,

That each council shall not be assessed the state per capita tax for any of its Honorary Life, Disabled and Inactive members.

Recommendation: *The committee agreed with the intent to have these figures restated, therefore, on recommendation of the Resolutions Committee, I move Adoption of Resolution 14.*

Action: Recommendation approved by State Council.

Audit Committee Report

The audit committee reviewed the Treasurer's statements and reports. Chairman Chady notified the committee that state records are being audited on an annual basis and operations continue to be operated under proper accounting procedures. A brief discussion occurred as to some categories of expenses which were clarified by Treasurer David Scott. The committee was thoroughly convinced that all records were in proper order and correctly reflected the current financial picture for the state council.

We discussed three major areas concerning membership recruitment and retention. Those areas were problems faced by councils, successful practices of councils and the needs of all councils.

Problems

1) The cyclical cleansing of Council Members, behind on dues – This seems to happen every so often, especially when new Financial Secretaries take over. The committee was in total agreement that this was one of those years. Trustee involvement is essential in curbing these cycles. In councils that do not have these purging cycle, Trustees monitor the rolls and recommend timely contact of delinquent members. This is done annually and not put off for down years. This gives the council a chance to offset the drop in membership with new recruiting.

2) The lack of participation by current members – This is a problem faced by councils of all sizes. Many times new members are brought into the council and then left to basically fend for themselves. Councils have got to develop more programs for the families of these new members. The most successful councils get the families involved in activities and this gives the new members and even a lot of the older members a reason to get involved with the council and parish.

3) Lack of a full time priest – When councils are served by a priest that has several parishes or mission churches to serve it makes it more difficult to get the continuous support that the council needs to flourish. This can be particularly a problem when the priest is a military priest and so much time is spent serving the needs of our troops.

Successes

1) Recruiting Family Members – councils reported on the success they have had with recruiting family members of new members. This was a target area stressed by these councils. A new member was asked to give names of fathers, brothers, uncles, cousins, etc. and that may be interested in joining. The member was then involved in recruiting these people.

2) Hispanic Recruiting – The growing Hispanic community has opened up recruiting possibilities for many councils. This year's successful councils have tapped into this resource. There are obstacles such as language, the unwillingness to fill out the paperwork, but these can be overcome.

Retention

1) Shining Armor Award – More councils need to stress the Shining Armor award to their new members. Some of the greatest recruitment successes have been from councils that have pushed the program. It is a great way to get the new members involved in the council and therefore make them better knights. Involved Knights "STAY KNIGHTS".

Church Activities Report

The church program committee met with the following brother Knights of Columbus in attendance:

Michael Butler
Guy Heying
Kenny Valentine
BJ Lewis
Jimmy Sherman
Mills Haire
Joe Liberto

Following grading the Church Program, Family of the Year and Knight of the Year entries the committee discussed the following:

1. A suggestion was made to include the award packages in the delegates envelopes upon arrival. This would provide the delegate ample time to grade each entry. The time provided during the committee meeting is barely adequate to do a thorough evaluation. Including the packages in the delegate packet gives the Knight more time to complete his evaluation.
2. The committee suggested more crossfeed of program activities through the state newsletter: The Magnolia Knight. This would provide councils more ideas for successful programs throughout the year.
3. Councils should include prospects in council program activities. This would show recruits how the Knights of Columbus impacts all activity areas, especially those outside the church where the KotC is most visible.

Council Activities Committee Report

The Council Committee met today at 1 pm with nine brothers in attendance.

The team read thru and voted on various council activities. All activities were very detailed and diverse projects.

Also discussed were topics keeping activities fresh and new with the entire family involved.

Council activities such a parish roundtable and offering advice of implementing and starting was discussed.

The discussions also ranged from incorporating non knights into roles within the council work crews hoping to become members.

In conclusion a very spirited discussion with everyone having valuable input and offering advice to some council delegates that may have been unfamiliar with a certain activity

Youth Activities Committee Report

Worthies,

The Youth Committee met at the 2010 Convention in Natchez. All members were present for the meeting. We voted on the best Youth Activity and on the Knight and Family of the Year. We also voted on the Poster Contest Winners. It was discussed that there will be changes coming from Supreme on the Poster Contest and that we were planning on making some minor changes to the State Free Throw contest (with approval of the State Deputy.) When the poster contest changes are made they will be put into the Magnolia Knight for all to see. We are still trying to get more councils involved in soccer and the poster contest. For the 1st time in recent years, a trophy was awarded in all groups in the free throw. 5 boys and 5 girls.

Family Activities Report

As Family Director I sent out monthly messages congratulating each Family and council that were picked by Supreme as the Family of the month. I also sent a message asking all of the councils to try and turn in a family. I had several conversations and correspondence with various councils during the year on not getting credit from Supreme, for turning in a Family, which I had Supreme correct the problem. We did have more councils this year then the previous year that turned in a Family. Respectively

Mississippi Memorial Prolife Fund Report

Fund Establishment and Function

Delegates assembled at the 96th Annual Convention of the Mississippi State Council in Robinsonville, MS in April 2000 voted to establish a Mississippi Memorial Prolife Fund. This fund does not require any funds from the Mississippi State Council. This fund functions the same way the Bishop R. O. Gerow Memorial Fund for Priest Education does. Councils can contribute money to the fund throughout the year for presentation to the Bishop of Jackson and the Bishop of Biloxi at our annual state convention. Our bishops will distribute the funds to prolife organizations selected by their respective Diocesan offices.

How to Donate

Councils should always make their checks payable to the Mississippi State Council, Knights of Columbus. These donations should be sent to the State Treasurer or given to him or Memorial Prolife Fund Chairman for recording purposes. All donations will be deposited in the Mississippi State Council checking account and the State Treasurer will write checks to the Diocese of Biloxi and the Diocese of Jackson. Each year all donations will be listed and acknowledged in the Memorial Prolife Fund Chairman's report in our annual convention minute book and the council and assembly making the largest donation will be awarded a certificate at the Convention Banquet. There are plenty of councils that have not donated to this fund yet, so there is much room for improvement and increased donations to this worthy cause.

The fund provides an excellent way for councils, Knights and others to donate memorial gifts in remembrance of deceased Knights, family members, relatives, and friends.

2009 Statistics

11 Councils, 4 Assemblies, 22 Ladies Auxiliaries and 3 individuals donated to the fund in 2009.

Total statewide donations increased to \$6,166.80 from \$5,226.43 in 2008.

Total donations to the Diocese of Biloxi were \$1,345.00.

Total donations to the Diocese of Jackson were \$4,821.80.

2010 Statistics

26 Councils, 8 Assemblies, 1 Ladies Auxiliary and 1 individual donated to the fund in 2010.

Total statewide donations increased to \$10,728.60 from \$6,166.80 in 2009.

Total donations to the Diocese of Biloxi were \$3,798.80.

Total donations to the Diocese of Jackson were \$6,929.80.

More councils and assemblies donated to the fund in 2010 than any previous year and amount donated was the highest ever for each Diocese and overall statewide.

At the State Convention a collection was taken at the Ladies Luncheon and \$712.00 was collected which was divided equally between the two Dioceses in Mississippi. The Mississippi State Council donated \$873.60 from the KC car tag receipts and this was divided equally between the two Dioceses in Mississippi. At the Sunday Mass during the

State Convention the offertory collection was donated to the Mississippi Memorial Prolife Fund. The \$1,372.00 collected was divided equally between the two Dioceses in Mississippi.

Total funds donated since fund inception in 2000-----\$47,846.47

Fund Goals

1. For each council, assembly and ladies auxiliary in the state to make an annual donation to the fund.
2. Fund donations will increase each year.

Vocations Committee Report

As we begin this report, we do so with an "attitude of gratitude". On behalf of Bishop Latino, the people of our diocese and our seminarians, we must thank you greatly for supporting our vocations program as all of our councils are doing. Special thanks go to those councils who support our seminarians through the RSVP program. Currently, there are 7 councils participating; and all of the seminarians who need support are covered.

We are grateful, too, to those councils who have supported the seminarians who are leaving formation – Greg Davidson and Rusty Vincent – and we want those councils to know that their support was not wasted. Both men are simply engaged in the intense discernment that seminary entails, and neither of them could say that a lack of support from the parishioners of our diocese has influenced their decision. I hope that one or both of them will return to us. (And already those councils who were supporting these men have asked us about picking up someone else.) And if other councils want to get involved, that is always possible, since we try to spread the support around evenly, as far as amount; and sometimes this takes more than one council to support one seminarian.

Our main goal, lately, has been to identify a "Parish Vocation Contact" in every single parish in the diocese – a lay person who will be assisting the pastors and pastoral ministers in three ways concerning vocations: promoting awareness, giving their fellow parishioners opportunities to pray for vocations, and inviting specific men and women to consider a vocation to the priesthood and religious life. Even better, some of those "PVC's" have formed small committees to help them (such as St. Alphonsus in McComb). We really think these PVC's and their committees will become the strongest way to promote vocations, other than the priests inviting men to the priesthood themselves. The PVC's enable us to get the word out more quickly than going through the pastors, since the pastors already have so much on their plates. But we always encourage the PVC's to work closely with their pastors and pastoral ministers. Most of the parishes have a PVC, but we would like to have one for every parish. The Knights of Columbus could help this effort by simply teaming up with the parish PVC. (In some cases the Knights of Columbus Vocation representative is already the parish PVC). This way, when we send out information concerning vocations to all of the parishes, whatever those PVC's receive will also come to the awareness of the Knights of Columbus, who are already interested in promoting vocations.

Please keep praying earnestly for vocations! Take it to Jesus the next time you make a visit to Adoration before the Blessed Sacrament. If we truly believe that the Eucharist is the "source and summit of the Christian life," as our catechism states, then we still have an absolutely vital need for priests, especially in the celebration of the Eucharist and to assist Bishop Latino as fellow shepherds, even with the many good lay people who are coming forward to be trained for leadership in our parishes.

The cost of seminary formation for these men is a tremendous challenge. It can cost our diocese over \$12,000 each year to educate one seminary college student (he or his family pays an additional \$12,000) and well over \$30,000 to educate one theology student (the diocese funds the entire cost of graduate theology studies and provides a monthly stipend and health insurance). The contribution made each year from the Bishop R. O. Gerow Memorial Fund provides much needed assistance in funding our seminarian education.

We currently have 9 seminarians. After Deacon Scott Thomas is ordained to the priesthood this June, it will be at least 2 years before we have another ordination. Next fall after Deacon Thomas' ordination, we will have 8 seminarians. We are currently in the discussion phase with several young men who are interested in applying, though at this time, we are not sure if any of them will be ready to enter by this fall.

GRAND KNIGHT REPORTS

Council 802 Meridian

These are some of the projects of Meridian Council 802, Knights of Columbus. This is our history.

Church Activities

The following Church Activities were done on an ongoing basis for the Council Year from July, 2009 through May 2010:

- Quarterly Communions were held in June, September, December and February. Members and their families sit in the front pews of the church and receive Communion as a body.
- On the second Thursday of each month during the year, members of Council 802 and some spouses spend an hour in Adoration of the Blessed Sacrament.
- Knights are available and do perform Pall Bearer service for members of our parish as needed whether they are K C members or not. This function was performed a total of eight times during the year, and on one occasion members led the Rosary for one deceased widow of a knight.
- On November 2, 2009 Knights set up the chairs and altar for our annual Cemetery Mass in honor of deceased parishioners of St. Patrick Church.
- On Thanksgiving Day 2009, our council coffee and donuts after Mass at St. Joseph Church.
- On January 30th, 2010, the council organized a Gumbo supper to raise funds for Priest Education. Tickets were sold in advance for this function.
- On February 19, 2010 our council joined with the Knights of Peter Claver at St. Joseph Church to lead the Stations of the Cross for Lent.
- On Holy Thursday members of our council were involved in the Gethsemane Watch from after Mass until the Eucharist was retired at 12 Midnight.
- On April 3, our council sponsored a Brunch for the RCIA program for all incoming members and their families.
- On April 8, several members of our council help to set up tables and chairs at St. Patrick Family Life Center in preparation for the St. Patrick School Drawdown.
- On April 22, our council hosted a Cookie and Cake reception for our Confirmation class and their families.
- On May 1, our council prepared and served approximately 240 lunches for our First Communion members and their families and friends.
- During the month of May, members of the council lead the Rosary before each Mass at both St. Patrick and St. Joseph churches.
- On May 23, our council will help with the Pentecost Mass to be held at one of our local lakes.

Council Activities

We had several projects scheduled for the 2009-2010 year. The first was the Memorial Day Picnic on May 24th. We had twelve people sign up for the horseshoe tournament. John Maloney Jr. took 1st place and Jim Romano took second. Thanks to all the guys who took part. I want to thank Richard Fleming and Tommy Beeman for making the hamburger patties. I would also like to thank Ed Shamp for pressure washing the slab. I cannot forget the cooks John Bennett, Ed Shamp and Jim Romano for their great culinary powers. They also handmade the jalapeno bites. There

were around 79 people there. Labor Day Picnic was our second event. I counted 125 *people*, but I probably missed a few. This is the *largest* crowd I have seen at an outdoor picnic since I have been in Meridian (2000). It was nice to see all of the little ones running around and playing. We can't put on something like this without a lot of helping hands in the back ground. I would like to thank the following people: Tom Beaman and Doctor Fleming (food preparation), Ed Shamp, Tau Iosia, and Jim Romano (the cooks), John Kasper for pressure washing the picnic area, Bob Leo and Chris Foster (picnic area prep), the CYM, there was a lot of them who came to set up games and play with the children. I can't forget those who helped with cleanup: Doc, Bob Leo, and Jan and John Kasper washed all the utensils. I would be remising if I didn't thank Tripp Ward for bringing the Moon Bounce, which the children really seemed to enjoy. Then we on Tuesday March 9th we held our annual Pool Tournament. We started at 7:30 and had 10 entries. There was Bob Leo, Chris Foster, Tripp Ward, Ed Shamp, Pete Vining, Mouise Richards, John Maloney Sr., John Bennett, Joe Gomez and me P. J. Carter. A good time was had by all. The winner for the second year in a row was Tripp Ward. Second place was shared by Mouise Richards and John Maloney Sr. After our Labor Day Picnic it was decided that we could use some new playground equipment targeted for 7 year olds and younger. We purchased one for around \$5,000. The playground equipment construction was held on Saturday March 20th. Several Knights (Tripp Ward, Brad Parsons, Bob Leo, John Graupman and John Kasper) We also had 5 of the Sr. CYM members showed up to help (Sara and William Billups, Samantha Colyer and Brittany Johnson, John Joseph Maloney).

Pro-Life Activities

During the 2009-2010 fraternal year, pro-life activities were conducted throughout the year. These activities were tied to important dates in the pro-life movement and were public events conducted by the Knights. We displayed a pro-life billboard on one of the busiest highways in our area during the months of January and February. During the months of October (the month of the Holy Rosary) and January (to commemorate the Roe v Wade decision) the Knights led the rosary before all of the weekend Masses at our two churches. We financially support and physically participate in the fund raising drives for the Center for Pregnancy Choices in Meridian. We actively participate in the State pro-life rally at the Capitol in Jackson. We continue to support and donate to the Knights of Columbus Mississippi Pro-Life Statewide Fund. At all of our Council meetings, we remember the unborn in our prayers.

Community Activities

The Community Activities Program operates every month during our Council year. Beginning in July we continue with our monthly East Mississippi State Hospital Nursing Center Visitations. With a mere \$50.00 budgeted for this particular activity we gather at the Nursing Center with anywhere from six to twelve Knights to spend an hour, or so, with patients at this facility one night each month. During our December visit we provide gifts, entertainment and, who else but, good old Saint Nick himself. In September we started our support for the Kairos prison ministries program with a donation of \$200.00, to be followed by two other similar donation throughout the year for a total of \$600.00. A group of men who visit the local state prison, along with the leadership of a Brother Knight, bring the word of God through Christian outreach through this program. In November we supported Operation Reindeer with a gift of \$100.00, a local group in conjunction with the Lauderdale County Mental Health Association, which provided gifts for needy children of prison inmates. In the spirit of Christmas we donated \$100.00 to the Wesley House and \$100.00 to the Salvation Army Angel Tree program to help with gifts

for needy children and families. Our Knights manned two Salvation Army Kettles at a local WalMart for a total of 30 hours for this worth charity. In May our Knights once again answered the call for charity by collecting \$640.00 for the Knights of Columbus annual Mental Health fund raiser by conducting a Tootsie-Roll drive at the local WalMart. Our Council donated \$100 to the Childhood Leukemia Foundation and another \$100 to the Mississippi Make a Wish Foundation. We ended our fiscal year by awarding our annual Msgr. John J. Burns Award to Dr. Ronnie Purvis for his commitment to several charitable community programs in Meridian during the 2009 calendar year. Many of our Knights are involved within the community in everything from Boy Scouts of America to prison ministries to the arts with countless hours of involvement. Council 802 doesn't just believe in charity, we practice it, through our community.

Youth Activities

As Knights of Columbus members, we influence the youth of our community by becoming involved with them through supporting St. Patrick School, Catholic Youth Organizations, and Boy Scouts, and also by creating Knights of Columbus activities in which the youth of our community can participate. Every month, during our Council year, the Youth Activities Program operates with activities beginning with the newborn to the high scholar. We start with our Santa Visit to the three main hospitals. Santa brings toys and Christmas cards from the Knights of Columbus to those newly born and those little tots who are stuck in the hospital on Christmas Eve. For the slightly older tots we have our resident Easter Bunny hide hundreds of plastic eggs (over 1000) filled with goodies and prizes for an afternoon of fun and games searching for hidden eggs. The golden egg gets a grand prize. St. Patrick School tots are involved with a Columbus Day Poster contest on Columbus Day. In fact we support our local Saint Patrick Catholic School with this and many other activities. We have a Creative Contraption Contest for the 3rd thru 6th grade. Here each child is given an identical bag of gadgets, screws, sticks, string, clips, cotton, etc. The students use their creativity to make a contraption using the gadgets supplied. A prize is awarded to the top three winners who show creativity without any obvious parental control. We support the school with a \$10,000 scholarship fund and other funds that may be needed throughout the year.

We assist the school with their fundraisers: the Haunted House and the Irish Festival. We, also, maintain the School's web site.

As our youth become older they join the CYM (Catholic Youth of Meridian organization). We support them going to Search and the State CYO Conventions by donations and by placing ads in the Convention's Program Guide. We have a matching fund of \$500. We match funds they raise to fund their own budget. This is by no means a one-way street. To foster their growth and leadership, we have our CYM youths participate with us. They help us with many functions such as Santa's Visit, the Easter Egg Hunt, bell ringing for the Salvation Army, etc.

Our Knights and their families have helped serve over 3800 five-dollar dinners during the year to raise money for PSR (Parish School of Religion) education. We also support our local Scouts with donations to the Pinewood Derby Race, camping trips, and Scout Blue and Gold Banquets. Six of our Brother Knights work with the Scouts as Cub and Boy Scout Leaders. We hire the Scouts to help us at various functions to foster a good work ethic. We also sponsor a Free Throw Contest, promote World Youth Day, participate in

Special Olympics, and sponsor Drug Awareness through a Drug and Alcohol Awareness Poster Contest.

As Grand Knight I am proud to have served my fellow man and Catholic Community. I want to thank all my Directors who have contributed to our continuing success in the oldest council in the state of Mississippi. They have supported me and all that we do as a council. We have attempted to include the widows of our deceased members in all that we do as Knights. Fr. McGivney would approve. Thanks to all the State Officers that have given great guidance and inspiration to all the Councils in the state. God, Family, Country. Need I say more?

One of the charms of the Biloxi Council is its age. The council has over 300 members and 11 Past Grand Knights that are still very active. We meet weekly and have an average of 25 members present at each meeting. We host quarterly awards banquets.

Frank Tarrant (PGK) is the degree team captain of our certified 1st and 2nd degree team. We schedule our own 1st degree initiations at the hall. State officer's call on us to put on 2nd degree exemplifications as needed in the coastal area. We hosted a 1st 2nd and 3rd degree initiation on 14 Jun 2009.

Church Activities - Our council draws its members from several parishes. We are closest geographically to Nativity BVM, the Cathedral of the Biloxi Diocese. Our church activities director Joe Ravita keeps members informed of all parishes' activities. He also organizes Corporate Communion to each parish.

Council Activities - Our council attended the state bowling tournament Mar 6th and 7th 2010. We participated in the National Tootsie Roll drive by collecting donations at our churches and at 3 stores on the weekend. We had key members attend the regional Mid Winter meeting and the School of Columbianism. We hosted a going away dinner for Fr. Tony our chaplain for 20 years, who was reassigned to OL V parish in Pascagoula.

Community Activities - Our council hosted a blood drive for the Red Cross on a Saturday. We manned a food booth at Nativity School Carnival in. The Hall was the collection point for the Asgards toy run. The motorcycle club sponsors the drive and drew some 500 participants in the event, which benefit under privileged children at Christmas time. The Biloxi Diocese handled the distribution.

Youth Activities - Our council sponsors Boy Scout Troop 213. The members also volunteer at a week long summer camp at Camp Wilkes in June. We have also hosted a Halloween party at the hall for member's children and guest and a Christmas party.

Family Activities - Our Family Director, Pete Hebert, with input from our parish pastors, selects Family of the month recipients for each month. The individual and their families are invited to the awards banquet for the official presentation.

It has been a pleasure to serve as Grand Knight of the Biloxi Council this year. With all the experienced and active members taking bits of responsibility, it has truly been a pleasure to serve. I look forward to continuing my term however long it may be and then joining the long list of active Past Grand Knights.

Council 6872 Picayune

The fraternal year started out with a very successful Tootsie Roll Drive. Our brothers collected \$4575.00.

Our Monday night Bingo, held in our hall, continues to be a successful fundraiser for our Council. Profits from our Bingo games enabled us to donate over \$40,000.00 to the

following charities: St. Vincent de Paul Society, St. Charles Borromeo Catholic Church, the Boys scouts, Save-A-Life, Priest Education Fund, Our Seminarians, The Christopher Fund, A Scholarship Fund, Habitat for Humanity, The Special Olympics, and other organizations in Picayune and Pearl River County. This past Thanksgiving and Christmas we gave away 185 food baskets which included turkeys with all the trimmings.

Each October St. Charles Borromeo Catholic Church has a free picnic for the parishioners. Our pastor Father Michael Synder, says this is the church's way of saying thanks for the support given all year long. Our Brothers help set up three large tents and we supply and cook the hot dogs, hamburgers, smoked sausage and chicken. Two of our Brothers cook their special jambalaya using his own special recipe.

We continue our monthly socials sponsored by the ladies Auxiliary, at which a Family of the Month is honored. Our Corporate Communion, which precedes our Saturday night social, includes the ladies Auxiliary, the Knight's wives, family and guests.

The first of the year we erected 3600 white crosses in the field adjacent to the St. Charles Borromeo Church. This is done in connection with the Right-to-life March held every year in Washington D.C.

Each February, our Council hosts a Blue Mass at St Charles Borromeo Church to honor the local "First Responders", police, fire fighters and EMT's from Pearl River County. The community has enthusiastically responded to this annual event, donating various "gift certificates" given to each of the honored guests.

In summary, even in these economically challenging times, this has been a very great year for our Council.

We were also represented in the St. Patrick's Day by several of our 4th degree knights bearing flags and presenting prayer cards along the route.

COUNCIL:

Our council sponsored a softball team, with players being comprised of knights as well as church members. We conducted a blood drive. On the first Sunday of each month, our council provided sausage and biscuits to raise money for priest education and other charities. This was a great way to meet parishioners new and old in our parish.

Our family activities program is very important to our council's strength. The success of our council can be directly attributed to programs we conduct that involve our families.

Our council sponsors monthly Pot luck dinners and spearheads the annual Supper and Substance for our parish families. We are strong believers in honoring our family of the month (submitted nomination forms to Supreme every month) and have submitted our best to the State for Family of the Year convention. Our council proudly sponsors a bi-monthly family corporate communion mass.

- Held Wine & Cheese Social
- Sponsored a Mother's day Program
- Sponsored a Father's Day Program

PRO-LIFE ACTIVITIES – Mark Fontenot Chairman

Our members have a total commitment to Pro-Life and work very hard in supporting Morning Star Pregnancy Center. Our council has maintained our Pro- Life monument with fresh flower arrangements (seasonal) and a frequent scrub down. We hold Respect for Life Mass programs and promote prayer for the unborn. Our Pro-Life activities include but not limited to:

- Held a pro-life golf tournament and contributed the funds to Morning Star Pregnancy Center
- Three Brother Knights bartended for Diocese functions and donated all funds to Morning Star Pregnancy Center
- Donated to the Mississippi Pro-Life Memorial Fund
- Sponsored a diaper and formula drive through our Parish and donated all funds to Morning Star Pregnancy Center
- Set crosses in memory of the unborn

We are very blessed with a council that is still growing and have not lost sight of our purpose or our commitment to our Order's core values. We believe in Father McGivney's dream and try to cultivate his vision with those around us. I am proud to be a part Knights of Columbus Council 9094. These men are dedicated to serving our parish, Church, families, youth and community.

In closing, it is indeed an honor and a blessing to have served as Grand Knight of Council 9094. I sincerely enjoyed working toward a common goal; serving our church, parish, community, families and Youth. VIVAT JESUS!

Council 9543 Madison

At the beginning of the 2009-2010 fraternal years I approached the council with this statement, "Brothers, we have had many programs for church, family, council, youth and community and spent many man hours in accomplishing their success, but in my opinion, we are going in the wrong direction." I received some very odd looks, and some open mouth gasps. I went on to say, "When you joined the Knights of Columbus, what was the first degree based on? CHARITY!! Charity is not by money alone but by good deeds and caring. This is the way I want our Council to go." I then proceeded to set up our goal for Charity and Pro-Life for the coming year and asked my brothers to spent their many hours working in this direction along with the other activities for the year. I established a Charity and a Pro Life Committee.

With great thanks to my Brother Knights, here are some of the things our Council accomplished this year:

Charity

Father Rick Phipps, Pastor of Christ the King Church in Jackson, called and asked if our Council could help with some windows for the Sister Thea Bowman Catholic School. The fire department and the education department of the City would not allow him to open the school because the windows in the classrooms did not pass inspection. If there was a fire or other disaster, no one could escape from the windows. Neither the Church, nor the school could afford to replace the old windows, without new windows, the school could not open. An email went out to our Knights and they responded whole-heartily to this project. They showed up at the school on a Saturday morning with all their power tools and muscle ready to work. In one day's time we had the windows replaced. The next day we painted the new window frames. The school could open on schedule.

While we were at the school, we discovered that the school needed school supplies and their funds were limited. We then set up a drive for school supplies and/or donations for this school. We collected two truck loads of supplies plus \$3,110.00 in funds for the school to buy whatever else they needed.

The Council obtained a motorized wheel chair to be used by handicapped individuals. The first person to use this chair was the widow of a Brother Knight.

We sat up a hot line for our deceased Knight's widows, families of Knights in the military service and our elderly Knights. So far, our Knights have able to respond to their calls in a matter of minutes. We have repaired electrical problems, moved heavy

furniture, repaired a refrigerator, repaired a computer, cut trees, and cut, trimmed and removed tree limbs and branches after a snow storm. The best part is there was no cost or hardship to these ladies and our Brother Knights.

Brother Mark Beyea is stationed in Afghanistan. He asked if our Council could help get 12 children in Afghanistan some soccer uniforms. Our Knights went to work, obtained the needed uniforms and got them mailed to Afghanistan.

We took 800 hamburger buns to Our Daily Bread to help feed their needy. Our Daily Brad is part of Sacred Heart Church in Canton where Fr. Kevin Slattery is the priest. Through this we learned of the Hispanic Center of Canton, also a ministry of the Sacred Heart Church. Our Council installed metal shelving for the pantry area of The Hispanic Center and labeled each section in order to organize the food. We then divided the Council into various food groups and sent out a request to our Knights. Once again our Knights responded. We filled the shelves with food for the poor. Other donations from our Knights were clothes, shoes and suits.

At Thanksgiving we took 22 baskets of food to the poor. Ten turkeys were also delivered to other needy families. A refrigerator was given to the Hispanic Center.

Our Council gave \$490.00 to the relief effort in the Philippines.

December brought on the Christ In Christmas with the selling of Religious Christmas Cards and collecting book and money for gift cards for Saint Anne's children in Carthage, MS. Food and Clothing were also sent to Saint Anne's to help the needy families.

Our Council adopted a family of seven for Christmas. Each member of the family was adopted by a Knight.

We are happy to report that 1,057 children were adopted for the holiday season. What a charity effort our Knights accomplished.

Dr. Paul's computer went out. Our Council had it repaired for him.

A man came to the Church asking for clothes. Our Council collected shirts, pants, socks and underwear for him.

Pro Life

Our next goal was to donate funds to Pro Life organizations in the Jackson - Madison area. Grillin' for Life, or now as it is called Sanctity for Life, is a Kansas City Barbeque competition between the Knights of Columbus councils, professional teams and backyard grillers. All proceeds were distributed to Pro Life & the Special Olympics.

A cross committee was set up to make 154 crosses. A banner was made that says, "The 154 crosses represent the number of unborn deaths per hour in this great nation, United States of America. May God have mercy on us." The crosses were placed on the grounds of St. Francis of Assisi Church in Madison.

A candlelight human rosary in the shape of the rosary was formed. Everyone received a candle and stood in the shape of the rosary. As the Rosary was said, the candles were lit, one by one until the whole rosary was lit. The Rosary was led by our Council Warden, preceded by a prayer from our Parish Priest.

Other Activities

Our Council was responsible for the two largest fundraises for our Parish, The Cajun Fest and the Starry Night Gala. We raised a total of \$97,000.00 for the new St. Anthony Elementary School from these two events.

We work in Prison Ministries. We collected underwear, t shirts and toiletry items for the Hinds County Detention Center.

We conducted a blood drive for our Parish.

During Lent we led a Rosary every Friday and served a meatless meal to the Parish.

We organized a golf tournament. The proceeds from this tournament went to Seminarian Education.

For the youth of the Parish we held, kite flying contests, pumpkin carving contests, swim parties, picnics, back to school parties, soccer and basketball contests.

We cooked and served the food for the St. Joe High School Drawdown.

None of the above would have been possible without the ideas, devotion and hard work of the individual Knights of Council 9543. This Grand Knight cannot give enough praise and recognition to these Knights. They made it all possible.

Thanks to you 9543
Charles Wilkerson

Installation of officers for the 2009 – 2010 fraternal year was conducted by Philip Jabour, Worthy District Deputy. Our council continues to grow in number just as our home parish, St. Joseph – Gluckstadt, continues to grow. At July 1, 2009, our membership number was 87. At July 1, 2010, we were at 95. We are getting new, young men – husbands and fathers – as active members. We are also welcoming men transferring to the area and to our parish from other councils, locally and from out-of-state. We achieved Star Council again for the year and expect to continue to do so each year.

St. Joseph Parish is undertaking the construction of a new sanctuary and associated structures for the growing congregation, reflecting the growing population in Madison County. Our Sunday Masses are generally overcrowded in our small 1970's facility. Fr. Kevin Slattery and Fr. Onwu Akpa provide our community with excellent liturgies, homilies and pastoral care.

Our council participates in numerous activities, focusing on vocation support and on pro-life, family issues. We support, financially and with prayer, seminarian Adam Nobles, who is presently in his third year philosophy curriculum at St. Joseph Abbey and Seminary College in St. Benedict, Louisiana. We provide as much assistance as possible to any family-support issue identified to us. We are convinced that our parish is home to a number (unknown at the moment) of future vocations to the priesthood and religious life. The seeds are planted; we are diligently doing our best to nurture them.

Our parish holds an annual German Fest, highlighting the origins of the community originally settled by German-descendant families from Illinois, Indiana and other Midwestern states at the beginning of the 20th century. KC members take prominent part in the festival planning and work.

We have held pancake breakfasts, Lenten fish suppers, and other activities with the funds going to priest education. Our members participate in various ministries during Mass. We have KC Corporate Mass each quarter and lead the Rosary before each Mass during

April and October. We hosted the Silver Rose Memorial Mass in October, led Stations of the Cross one Wednesday during Lent, and participate in First Friday Eucharistic Adoration. One of our members is the designated altar server trainer for the parish.

We participate in the Tootsie Roll Drive each year, sponsor a Blood Drive each year, assist with fundraisers and other efforts for Holy Child Jesus School in Canton, and assist in an annual pro-life memorial ceremony in St. Joseph's Cemetery. The Tootsie Roll Drive funds have been sent to a team we sponsor in the Challenger League, providing sports-related experiences for developmentally-challenged people.

Several members take time each second Saturday of the month and pray the Rosary in front of the abortion facility in Jackson. Knights placed 154 crosses on the front lawn of the church for a month as a witness to the genocide of abortion in America. We raised money from parishioners for Birthright of Jackson.

We have many military veterans buried at St. Joseph's Cemetery. Our Memorial Day Mass in the cemetery is explicitly to honor them and all veterans of service to our country. We put American flags on the veteran's graves at that time.

In council activities, we have hosted first degree exemplifications, attended the School of Columbianism and conducted membership drives. We recognize a family of the month each month and have entered a member into the Family of the Year. Council members participate on degree teams with members from other councils. Our council does not presently have a degree team of its own, but several members have expressed interest in hosting one at our council. We appreciate the camaraderie with our neighboring councils in District 6 and the mutual support we share.

Our youth groups are growing. One of our members has been very generous with his time, as has his wife and children, in leading and supporting the youth. We have provided financial support to our confirmation classes and have provided financial support for the groups to go on summer trips. We have sponsored mission trips for individual youths at times.

We have much for which to be thankful at St. Joseph Parish and at our council. We have a strong group of Catholic men who are striving to live by the guiding hand of God. Our parish ranks are growing with wonderful, committed families. We feel the warm winds of a renewal of faith, guided by the Holy Spirit, upon our community. Our council continues to grow in size, quality and confidence. We are heartened by the leadership of Pope Benedict XVI, our bishops, priests and religious, and the strong resurgence of authentic Catholic teaching. We take heart in the bold proclamation of our late pontiff, Pope John Paul II, "Be Not Afraid!"

Serving as Grand Knight for Fraternal Year 2009/2010 has been a very rewarding and challenging year. We are a small council in a small mission parish, so membership growth is hard to come by. Two Brother Knights have passed away since December '09 and both were council officers that have been greatly missed.

Our officer installation banquet was a huge success. The theme was a Hawaiian Luau, so everyone dress in their island shirts and the parish hall was decorated with the Hawaiian theme.

Many of our programs have been in place for years and the old saying, "if it ain't broke, don't fix it" appropriately applies. We have just finished our annual Friday night Lenten fish fries that are very well supported by our community. The local American Legion is one worthy organization we assist by cooking pulled-pork for their yearly fund-raiser. Our knights prepare fresh beignets the second Sunday of every month with the proceeds donated to the priest education fund. Twice yearly we assist with our church fund-raiser by cooking chicken on our famous "Grand – smoker".

Our meetings are held on the 2nd Tuesday of the month with Rosary beginning at 6:00 pm, followed by a meal (prepared by members) and immediately followed by the meetings of both the knights and ladies auxiliary. Most of our members are active in our parish as either Eucharistic Ministers or ushers.

As a small council we accomplish a great deal of church and community projects. This is possible only with the support of our ladies auxiliary and a dedicated, fun-loving group of knights.

My Brother Knights:

I am proud to report that as a two term G.K. our council will celebrate its 4th anniversary in May. Although we are the last council to be chartered in the state, our council members have over 500 years of service to the order. This year we have met or exceeded all state program requirements, have exceeded our membership goal, and met our insurance goal

We have members who serve the church in every lay ministry, and have two members who are ordained Deacons

Our council participated in the P.I.D. program during the annual Tootsie Roll drive. We helped Fr Kent purchase a computer for one of our seminarians, donated to the Bishop Gerow Fund, supported Catholic Charities at the local and world wide levels. Our members have supported a local food pantry and community thrift shop. Members support a county wide pregnancy crisis center and are raising funds to purchase an ultrasound machine for them. The list goes on and on.

Our 4th degree Knights are very involved with the council, as 1/2 of our members are Sir Knights. They provide an Honor Guard on a quarterly basis at Corporate Communions. Our 1 st degree team did 2 exemplifications this year.

I personally want to thank my brother Knights for their trust and support in me as G.K. Thanks to our D.O. Bill Sonnemann, who was always there to guide us. You Catholic gentlemen are what makes the order strong and vibrant. Your dedication will only bring great accomplishments for us as K.C.s in the future.

DISTRICT DEPUTY REPORTS

District Deputy #1,

As I complete my second year as District Deputy of the first District I must say it has been another exciting and rewarding year. The Councils of the first District consist of 8160 Holly Springs, 8848 Tupelo, 8912 Corinth and 10901 Oxford. It has been a tough year on recruiting new members with Holly Springs being the only Council to meet there membership quota. Way to go Holly Springs. Keep up the good work.

The District held two 1st Degree Exemplifications this year, both in Oxford. Oxford has the only complete 1st Degree Team in the District. We are working to get the teams in Corinth and Tupelo up and going again. I expect both of these teams to be fully manned in the near future.

District One held the Knights of Columbus Free Through Championship in Corinth this year. I presented Medallions to all the winners. I attended the School of Columbianism and the State meeting for the northern District, both meetings was hosted by Council 10901 in Oxford. I installed the new Officers in Councils 8848 Tupelo, 8912 Corinth and 10901 in Oxford. I am looking forward to serving the Knights of Columbus and the First District next year.

2009-2010 Report

My District consists of:

8038 Pearl

9543 Madison

10216 Brandon/Flowood

11934 Gluckstadt

Worthy State Deputy Peter Sukanek asked me to serve my fourth year as DD #6 and I was happy to do so. I have enjoyed being a District Deputy and will miss it as I come to the close of my fourth year. I am of the opinion that District Deputy is the best office I have ever held as a Knight. I have been welcomed as a if member of all four of councils, and have had the opportunity to attend the functions and programs of all four.

Brandon is on pace to make Star Council and Madison and Brandon will be in the mix for Best Council. Brandon should achieve Top Gun. They have achieved this for at least ten years in a row. I have not done research, but I would think that few if any councils have achieved that in the past.

Madison and Pearl suspended several members and will not earn Star Council this year, but they have been very active and accomplished many good projects for the Church, Knights and the community.

All four Councils ordered Tootsie's Rolls and donated much needed money for the kids.

All four Councils also participated in the Keep Christ in Christmas program. I think it is important that Knights help our Parishes remember the real reason for Christmas. There is so much advertising these days trying to convince us that what is important is buying and receiving gifts at Christmas.

Charles Wilkerson is finishing his second year as Grand Knight. Madison has been very active as usual. They continued their golf tournament for Priest Education and they will have another significant donation at the convention. They are also very active in supporting St. Joe, the middle and high school located in Madison and the new elementary school St. Anthony. They have also supported other Catholic churches and schools in the area. They were the lead Council in putting together Grillin for Life this year. Charles has asked the council to be focused on charity this year and they have helped a lot of causes and people

Kevin O'Donnell is finishing his second year as Grand Knight at Brandon. Flowood annexed the church about a year ago, so they are now Brandon/Flowood. Kevin travels a lot but has had good support from DGK Dennis Antici and the other officers and members. Council 10216 is very active, but they keep adding members and that helps

spread the load. They do a monthly breakfast for the Parish that is well received by the congregation. They also cooked again this year for the area Priests on St. Paddy's day and had about 20 Priests and Bishops attend. Father Hurley has come to Brandon from Pearl and I am sure he will be supportive of the Knights, as he was in Pearl.

Frank Tinney continued in his second year as GK in Pearl and has been nominated for a third term. They are in the process of suspending some members that are not paying dues, so their membership will likely not be positive for the Supreme year. They cooked catfish every Friday night during lent, and it was well received by the parish. Father Lenin Vargas has been installed as the Priest at St. Jude. He was very supportive of the Knights when he was at Madison and I am sure he will work well with Frank at Pearl. They have done a lot for the Church and community and I expect that to continue going forward.

Grand Knight Joe Best retired last year and Pete Weisenberger took over.

He followed the lead set by Joe and Joe Jones and keeps the council doing good work. The church is growing after becoming a Parish and I expect St. Joseph at Gluckstadt Council to grow accordingly. They cooked catfish during lent and are very active in the Parish. They established a ladies auxiliary during the year and they have been very helpful. Father Kevin is very supportive and they are accomplishing a lot of good things.

I think every GK will admit that there is always room for improvement, but I think the Councils in District #6 work very hard and do great work. I have enjoyed being a DD and working with the outstanding Councils and Knights in District 6 and will miss working with them.

District Deputy #7,
Dear Brothers in Christ,

District # 7 consists of four great councils; Bassfield Council 6592 (Grand Knight: Heath Skinner); Brookhaven Council 7915 (Grand Knight: Danny Smith); McComb Council 8054 (Grand Knight: Jim O'Rourke); and Natchez Council 1034 (Grand Knight: Freddie Voss).

During the past year I have had the pleasure of visiting each council on several occasions and swore in new officers in two of them.

Ricky Warren (a former District Deputy) and I attended the Drawdown held at the Bassfield Council, and used that format to develop funds for the Natchez Council to be used for the State Convention for 2010.

All of my councils have excellent Grand Knights leading them. The area I would like to work with them on is recruiting new members.

Now that I no longer have to spend all of my spare time working on the state convention, I plan to visit more often and work on a schedule and plan for recruiting.

I would like to thank all of my councils for being patient with me as I learn the duties of my new position.

Vivat Jesus,

Larry E Gardner

District Deputy # 7

District Deputy #8,

It has been my honor and privilege to serve as District Deputy of District #8 for the past two year. My district consists of:

Council	Parish	City	Grand Knight
1908	Sacred Heart	Hattiesburg	GK, OD Landrum
2180	Immaculate Conception	Laurel	GK, Joe Harvey
7211	Our Lady of Perpetual Help	Lumberton	GK, William A. Kuue
11654	St. Francis	Perkinston/Wiggins	GK, Robert Theriot
11956	St. Paul	Tylertown	GK, Billy Johnson
13936	Holy Trinity	Columbia	GK, Lynwood Ridge

This is the second year of my being a District Deputy. I conducted officers' installations at the various councils in my district. During the past year, I have had the opportunity to visit all councils in my district as well as had several phone conversations with the Grand Knights. I want to thank the Grand Knights, officers and members for welcoming me to their meetings, functions and events.

This past year we had five new Grand Knights in our District. All Councils in my District are in good standing with Supreme. From the reports I've received and visits, our District has been very active in Church, Community, Youth, Council and Family service activities. Each Council in my District continues to demonstrate the principals of the Third Degree (Charity, Unity and Fraternity). Council 1908 has corrected a problem they had with an internal audit and the appointment of a new treasurer. I am proud that Council 1908 has achieved many awards this fraternal year including Net Membership Gain and Large Council of the Year. Council 13936 in Columbia continues to have severe problems which I pray can be solved this next year. This past year we have seen the birth of a new council in Poplarville, this new council will have an installation of officers May 2010.

Although I am convinced every Council did a good job this last year, I feel every Council can strive for improvement in the upcoming fraternal year. I look forward to working with the Grand Knights and Councils this next year.

I will be leaving the State of Mississippi to take a new position of employment. I have enjoyed my two years of being District Deputy and hopefully the district will continue to grow. I wish to thank all of the Grand Knights and the members of their Councils for their continuing work for the good of the order.

Faithfully submitted,

Benito (Ben) Velasquez
District Deputy #8

District Deputy #9,

My district consists of six Councils:

Council	Location	Name	Grand Knight
1522	Bay St Louis, MS	Pere Le Duc	John Gleber
6872	Picayune, MS	Oscar J. Gelphi	Al Chrisman
7087	Kiln, MS	Fr. A.C. Dennis	Jimmie Hoda
9958	Lizana, MS	St. Ann	Kenneth Mayfield
11995	Pass Christian, MS	Fr. R.J. Sorin	George Holtz
12331	Pass Christian, MS	Sacred Heart Dedeaux	Larry Neicase

The year has been a very good one. Paperwork seems to be improving within the district and all councils are in compliance with supreme.

I made membership recruitment and the insurance program a top priority within my district again this year and with the exception of two, the councils in the district have brought in at least one new member. One council received Top Gun and another attained twice their insurance goal. Membership is still a big priority within the district.

The work is rewarding and the district continues to grow. If we continue to get all of the councils on the same sheet district could one day be a star District. What doesn't kill us will only make us stronger.

Faternally,
Michael G. Spencer
District Deputy #9

District Deputy #10,

It has been my honor to serve District #10 for the past three years. My district consists of 6 councils.

#1583-----	Bishop Gunn-----	Gulfport
#4472-----	Msgr. Leech-----	Pass Christian
#4898-----	St. Vincent de Paul-----	Long Beach
#7910-----	Fr. Harry Wade-----	Gulfport
#11541-----	St. James-----	Gulfport
#12271-----	St. Joseph the Worker--	Seabee Base Gulfport

As I approach my last year, I have a lot of fond memories. I have had the pleasure to work with, and grow with, a good group of Catholic Gentlemen. A lot of new growth among many of my councils. New Grand Knights in two, and an influx of new faces amongst the other officers. A real chance to grow and an influx of new ideas.

One major problem among my six councils and throughout the state is retention. We need to work as hard keeping our Knights that we have brought into our organization as we do recruiting new members.

We have a great challenge to find out why our Knights no longer want to be part of what I consider the best Christian men's organization in the world. What have we done wrong?

If the problem is finances, we can work with that. If we haven't made them feel welcome then shame on us. We haven't done our jobs.

2010-2011 offer many new challenges. We have great leadership at the state and district levels. We have excellent Grand Knights in place. Let's make this the best year ever.

Respectfully Submitted,
James Everett

District Deputy #11

I would like to thank State Deputy Peter Sukanek for the opportunity to serve as District Deputy and thank all the State Officers for their support.

Serving my first year as District Deputy has been an honor and learning experience. I have learned a lot about the responsibilities of the position and I am sure this will help me in the following year. I would like to also thank the four councils in District #11 for their support and hard work. The councils I serve are:

Council	Location	Name	Grand Knight
1244	Biloxi		Michael Arguelles
9094	D'Iberville	Fr. Patrick McAlpine	Lee Landry
9409	West Biloxi	Reinhart Schroeder	Lonnie White
9673	Woolmarket	James D. Hart	Patrick Chubb

After my installation in July, I conducted officer's installations for all four councils. During the past year I have had the opportunity to visit all councils in my district as well as phone conversations with the Grand Knights. I would like to thank the Grand Knights, officers and members for welcoming me to their meetings, socials and other events.

This past year we had two new Grand Knights in our District, Lee Landry Council 9094 (D'Iberville) and Patrick Chubb Council 9673 (Woolmarket). All of the councils in my District are in good standing with Supreme. All of the councils are very active in Church, Youth, Community, Council, Family and Pro-Life activities according to the reports I have received. My district got together with District Deputy #12 Robert Barr to have two District meetings for training of officers in October 2009 and again in February 2010. We combined our Districts for a presentation in officer's responsibilities with Supreme representative Bill Sukel in November 2009.

Currently in District #11 we have 2 certified First Degree teams, 1244 Biloxi and 9673 Woolmarket.

A major degree was held in D'Iberville on January 30th 2010 with 21 advancing to the 3rd Degree. Biloxi 1244 hosted a 1st Degree on October 29th 2009 and Woolmarket hosted a 1st Degree on February 22nd 2010. A 1st Degree is in the plans for April 8th 2010 at Biloxi 1244 at this time.

Under the guidance of each council's Grand Knight, all councils submitted all required reports on time, and they continue to support and are very active in their parish and community activities. All councils are participating in the annual drive for People with Intellectual Disabilities and the Priest /Seminarist Fund.

As members of the Knights of Columbus it is our duty to reach out to all Catholic gentlemen and invite them to join our Order and to experience the joy of being a Knight of Columbus. May God continue to bless us all with His love and mercy.

District Deputy #12,
Worthy State Deputy, State Officers, My Brother Knights:

I am very grateful and honored to have been given the privilege of serving as District Deputy for District 12 this past year.

This year has been challenging but also a very gratifying experience. Together with my councils 1605, 5654, 9124, 10499, 11904, 12166, and I have faced this year's challenges and through Charity, Unity, and Fraternity have succeeded in having a good year. Although our district's overall membership growth was low this past year, we did conduct six first-degree exemplifications this past fraternal year, which were open to our neighboring districts. As a result of these exemplifications, twenty-one new members have joined the ranks of the Knights of Columbus.

District Twelve's Grand Knights and their staffs have worked diligently at being an active part of the life of the Parishes they service. In support of this year's theme "Year of the Priests" the District Twelve Councils provided a dinner for the Priests of the local area. Both active and retired clergy members attended the dinner, and it was enjoyed by all.

I wish to thank the Past District Deputies of District 12 along with Past State Deputy Danny Lechner for their leadership and assistance during my first year as a District Deputy. Finally, I want to thank PSD Danny Lechner and State Deputy Peter Sukanek for trusting me with the job of District Deputy #12 and my profound gratitude to the Grand Knights, Officers and members of District #12 whose combined efforts have made us so successful. VIVAT JESUS!

STATE OFFICER REPORTS

State Deputy's Report

Reverend Bishops, Worthy State Chaplain, Worthy Supreme Rep Daniel Baker, Fellow State Officers, Worthy Delegates to the 106th State Convention, Brother Knights all:

Happy Easter! I hope that you and your families had a good one.

The Supreme Council has named this the Year of the Volunteer, and our Pope has named it the Year of the Priest. It is appropriate that we observe this Knights of Columbus year with special recognition of the most significant volunteers among us, our priests. Let us once again show our appreciation to the priests among us this morning and thank them for all their efforts on our behalf.

I would also like to say a special thank-you to our district deputies for all their effort during the past year. Your state officers worked as a team. I thank them, and especially IPSD Danny Lechner, for their dedicated work and good counsel.

It has been an honor to serve as your State Deputy for this past year. It has been a year of things good and bad. A physician calls one of his patients and says, "Bob, I've got some good news and some bad news for you." Well, let's have the good news first," says Bob. "Well," the physician says, "those tests we did the other day indicate that you have only 24 hours to live." My God," cries Bob, "that's the good news? What could the bad news possibly be?" "Well," says the physician, "I was supposed to call you yesterday."

My news is, perhaps, not as bad as that bad news, and the good is certainly better. First, the bad news. Mid-way into our fraternal year, our State Warden Bill Waggoner took a position out of State and had to resign his office. We will miss him. In accord with the Order's By-Laws, the State Officers appointed our State Membership Director, Noel Aucoin, to fill that position until a new Warden can be duly elected.

This year, our Roundtable quota was 45. As of this week, we had only 18. We can certainly do better than this. Mississippi claimed as many as 46 Roundtables not too many years ago. Those parishes and many others are still here. We can and should reach out to them and establish a Knights of Columbus presence in each parish in the State to assist our priests in every way we can.

Our membership goal for this year is to bring 430 new Knights into the Order. As of this week, we have brought in 189, only 44% of the goal. What is more significant, however, is that we lost 150 through suspensions. When we account for withdrawals and deaths, our membership has shrunk by 110 compared to last year. There are fewer men in the Mississippi Jurisdiction this year than last year. We can do better in membership as well.

Timely submission of forms, especially the important Form 1728, the Report of Fraternal Activities, is a continuing problem. However, I can say that as of today, we are only one council short of 100% submission. Thanks to all you Grand Knights, Financial Secretaries and District Deputies for your efforts in getting these forms submitted.

We started this year with 59 active councils. However, Council 6555 in Shelby was consolidated with Council 5556 in Cleveland. As you might know, the Shelby council

and the surrounding area has been having difficulties for several years, and this merger was not unexpected.

As far as good things in the Jurisdiction, there are many items to report. We are about to start a new council in Poplarville, and it should be underway before the end of June. This will bring us back to 59 councils. In addition, there is work underway in at least one additional area.

One of the strengths of our Jurisdiction is our ceremonials. I would like to give a special thanks to the members of our First, and especially our Second and Third degree teams, and to our ceremonial chairs, PSD's Tom Chady and Rich Lieding, for the time they put in to insure a first-rate experience to our members.

I mentioned above that this is the Year of the Priest. Several councils have held appreciation dinners for their priest and religious. At least one Council made use of the Prayer for Priests distributed by Supreme, distributing these before Mass and leading the prayer after Mass. Many councils participated in the RSVP program and supported one or more seminarians, not only financially, but with their prayers and letters of support. In June, one of the members of the Starkville Council, Deacon Scott Thomas, will be ordained. Mississippi has a history of supporting the education of future priests through the Bishop Gerow Fund. Last year, we gave our bishops almost \$93,000 with 47 of the 59 councils involved. Our Bishop Gerow chairman, Don Cox, will let us know this year's results later.

The primary principle of our Order is Charity, and we have done an outstanding job in that area. In September 2009, a typhoon hit the Philippines. Later, in January 2010, a devastating earthquake struck Haiti. Both countries were, and still are, in severe distress. Many Mississippi councils provided financial support for both of these disasters. We are called to assist the poor and the most vulnerable in our society. You have done that with programs to raise money and materials for local food pantries and supplied the manpower to work there. You have held numerous fundraisers and collected materials to support local pregnancy crisis centers. You have sponsored programs to pray for an end to abortion. Several councils sponsored pro-life programs for the parish and the local community with invited speakers from state-wide pro-life organizations. This past year, our Program for People with Intellectual Disabilities (PID Program or "Tootsie Roll Drive") brought in about \$71,000 which was distributed to organizations throughout the State to help people with physical and mental disabilities.

Councils have sponsored many excellent programs in the six activity areas of the Knights. You have visited local hospitals and held Christmas parties for the children there. You visited veterans' homes and retirement homes, and prepared a special meal for the residents, or just spent some time with them talking and sharing stories. You distributed Christmas baskets, helping make a happy time for many families that would otherwise have had little to eat and no presents for the children. You helped homeless veterans on the coast by collecting and distributing personal hygiene products. You celebrated family life with cookouts and campouts. You supported your parishes by raising money for the building projects, or by doing the building yourselves. You helped the widows of departed brother Knights by fixing up their homes.

You did all these and many more activities not because you had to, not because you were looking for some reward, but because they were the right thing to do. Because if you did not do them, no one else would. Albert Einstein said, "Try not to become a man of success, but a man of value." You have proven yourselves men of value. I congratulate you.

Vivat Jesus!

State Secretary's Report

Reverend Bishops, Worthy State Chaplain, Worthy Supreme Representative, Worthy State Officers, Brother Knights:

I would like to take this opportunity to thank all of you for giving me the privilege of serving you this past year as State Secretary. As I have progressed through the various positions of office I have found that the duties of serving you as a State Officer get harder and harder every year. We, your State Officers, have done our best to serve you to the best of our abilities this past year and I hope that my small contributions have helped move our State forward.

At the 2009 State Convention the delegates told us they wanted the State to participate in the Supreme sponsored liability insurance provided by R.C. Knox Inc. We accomplished that in July of 2009. The State Secretary was tasked with tracking and billing the participating. When the program started, we had 36 Councils participating with 3 more Councils adding on later in the year. This appears to be a good program and hopefully we will be able to continue offering it in future years.

As I mentioned earlier, the various positions within the State seem to get harder and harder as years go by. This year was no different. However, the hardest part for me this year was preparing the Necrology for the Convention memorial mass. We lost 93 Brother Knights and Ladies this year. They have been good friends to all of us and will be sorely missed. Listed below is a list of our Brothers and Ladies who have gone on to their eternal rewards:

State Advocate's Report

My Brother Knights,

It has been my privilege to serve as your State Advocate this year. I am pleased to report that we have encountered no major problems that needed to be resolved with this office.

Some of the areas that have been a focus involved assisting Councils with bylaw questions, council assets, and how to register their Employer ID (or EIN) with Supreme, so they will be in compliance and eligible to file their 990 tax report.

On the subject of tax exempt status, all councils who have filed their EIN with Supreme are included on its list of registered Councils and therefore are under its 501C8 Tax Exempt Non-Profit umbrella. This exemption applies only to income tax, not sales tax. .

The most recent initiative from Supreme is in the area of Identity Theft. As a result, all Financial Secretaries and Comptrollers are required to remove or delete social security numbers from paper or electronic files.

I encourage every Grand Knight to request a copy of the latest Financial Secretary's Handbook. It contains excellent tidbits of information, clear and concise procedures and a very helpful FAQs section.

The highlight of the year, outside of this convention of course, was being selected as one of your delegates to the Supreme Convention in Phoenix. It was my second time to go and this one was just as exciting as the first. Two memorable things took place: First our delegation was seated 8 feet from the main speaker's podium so we were looking Supreme Knight Carl Anderson in the eyes and he was doing the same to us. The second was Mississippi being one of the delegations to second the motion to add Pro-Life as the 6th Surge Program.

A lighter moment was noticing a Bishop two rows back wearing a cowboy hat during the meeting. I ran into him at lunch and asked about how he got away with it. He looked up, smiled and said.. "Son.. I'm from Texas... We all wear them".....then added.... "Of course I'm a Bishop too".

We wear name tags that say who we are. How we live our faith says what we are.

I thank you again, for this opportunity and look forward to assisting you whenever the need arises.

Vivat Jesus.

State Warden's Report

Brothers, last year you elected Brother William "Bill" Waggoner as your State Warden. Unfortunately for us, an opportunity for Bill to improve his employment position came up and he was forced to choose between his elected position and advancement. Bill resigned his position and the State Officers were put in the position to elect his replacement. That weekend, I was humble when they elected me to fill this important position.

As you can imagine, there was quite a difference between this year's Schools of Columbianism and the Mid-winter meetings. Prior to this summer's Schools of Columbianism, it was all about preparing a meaningful "Membership" program for the enlightenment of the classes. In just a few short months, however, in the Mid-winters, I was preparing the Membership program and worrying about the set-up and protocol of the meetings themselves. It was a challenge but one I fully enjoyed.

I want thank all of you who have expressed your support and for the many invitations Patty & I received to attend your functions. Attendance is not always possible because Patty shares in the care of her mother, but the invitation is always appreciated. I would also like to thank my fellow State Officers for their support and tutelage. Thanks go out to Elvis Gates (State Program Director) and Roger Feters (DD #11) my traveling companions. Thanks to my brothers and biggest supporters, the members of my home council, 9094 D'Iberville. Special thanks go to Larry Tabor (State Master & PSD) and Danny Lechner (IPSD) for their mentorship. Very special thanks to my tolerant wife Patty and to my children Jessica and Drew.

My goal, for the upcoming Fraternal Year, is to be more visible in your councils and activities. I have been humbled once again by your support and by being elected to another year of service for the Mississippi jurisdiction, as Warden. I will do my very best to live up to your expectations and please do not hesitate to contact me, if I can be of assistance. I am in your service.

Immediate Past State Deputy's Report

Your Excellencies, Worthy Supreme Representative, Worthy State Deputy, Worthy State Officers, Worthy District Deputies, Worthy General Agent, Worthy Past State Deputies, Worthy Delegates, and brother Knights.

It has been an honor to have served as your IPSD this year. My duties began in July, when our Worthy State Deputy appointed me as the State New Council Development chairman and State Round Table chairman.

Under New Council development, due to the hard work of District Deputy Ben Velasquez, we are in process of forming a new council in Poplarville. There are 3 other areas that we are exploring that look promising.

The Supreme Knight and our Worthy State Deputy have stressed the importance of our involvement in all Parishes in the State. The reason for the involvement is to support the Priest in all Parishes. In order to accomplish this goal we must have roundtables or councils established in every parish.

As for Roundtables, we are in better shape than last year, but have a long way to go. Our roundtable goal for this year is 45. As of the latest report, we have 18. It will take strong leadership from Grand Knights to assure the submittal of the required paperwork in order for us to achieve this year's goal by June 30.

In closing, I would like to read a message that I received from a brother Past State Deputy.

Brothers, life is too short to wake up with regrets.

So love the people who treat you right.
Love the ones who don't, just because you can.
Believe everything happens for a reason.
If you get a second chance, grab it with both hands.
If it changes your life, let it.
Kiss slowly.
Forgive quickly.
God never said life would be easy. He just promised it would be worth it.

May God bless you and your families.

Daniel J. Lechner

Fourth Degree Master's Report

Your Excellencies Bishop Latino and Bishop Morin,
Reverend Fathers,
Worthy Supreme Director,
Worthy State Officers,
Worthy District Deputies,
Worthy Delegates to the 106th Annual Meeting of the Mississippi Knights of Columbus.
My brothers All:

It is indeed a pleasure to be with you in Natchez this weekend. Many thanks go out to the Natchez Council and the convention committee for their hard work in planning and executing this convention. I know how exciting it is to bid for and be selected as host council for the State convention, but I also know brothers that you all breathe a sigh of relief come Monday morning!

Since my appointment as District Master by then State Deputy Danny Lechner, I have done what I could do to support and uphold the vision and goals of the Fourth Degree in this State. As you all know, the primary purpose of the Fourth Degree is to foster the spirit of patriotism by promoting responsible citizenship and loyalty of, and loyalty to, our country's democracy through active membership in our Assemblies.

My service as District Master has been more than a title. It has been an honor. During my term, I witnessed a great show of patriotism and outstanding community involvement by our Assemblies, Honor Guard, and Color Corps. Moreover, I see a group of Catholic gentlemen working together towards a common goal.

Together - we stand firm in support of our Order through dedicated personal development and continued honor of our brother Knights. We are always there to offer leadership, guidance and encouragement.

Together - we proudly serve our country through serving our communities and we are good-citizen Knights -- leading by example.

Together - we uphold unwavering support to our faith by doing what is right and honorable, working to keep God in the civic arena, serving the life of the Church, and defending laws that recognize the sanctity of life and true religious freedom.

Together - we honor the legacy of Knighthood through service of our Color Corps and Honor Guard that presents a visible reminder of our service to our community.

I firmly believe the Mississippi Fourth Degree has much more to go before it can reach its fullest potential. Less than 25% of our council members are Fourth Degree Knights and even a lesser number are truly active. If more of our elected Assemblies officers would make it a point to actively carry out their duties and responsibilities, our membership would no doubt flourish. If more Assembly Officers would make it a point to provide an update during the Third Degree monthly business meetings, chances are our Fourth Degree membership would grow.

Just like the Third Degree, it is a proven fact that if the organization has well-planned, interesting activities for their members, they will gladly participate and other Catholic men would be interested in joining. The Assembly is an important part of a council and likewise, the council is a definitely a living part of the Assembly. I encourage you to

work together as a team; coordinate your activities, plan for special occasions, dress out for Corporate Communion Masses, and be active and patriotic Knights.

Everyone would agree with me that our Fourth Degree Exemplifications are absolutely necessary for our membership to grow. I sincerely appreciate every Assembly who has hosted or is planning on hosting an exemplification in the upcoming months. It takes a lot of planning and coordination, as well as a strong recruitment effort by all. Taking into consideration the current economic slump, I understand the difficulty some of our potential candidates may have finding the discretionary funds needed to cover the Fourth Degree exemplification fees. Those fees, coupled with a rental charge or purchase price of a tuxedo, can be expensive especially at a time when the family's needs take priority. Please be mindful of this issue when approaching potential candidates.

In closing, may I thank Past State Deputy Danny Lechner for the opportunity to serve as your District Master and State Deputy Peter Sukanek for his support during my term. I am also grateful for the Sir Knights who serve as District Marshals. Many thanks to the Sir Knights who function as Honor Guards or members of the Color Corps—you serve our Order well. I would be remiss if I did not thank the officers and members of my home council and Assembly in D'Iberville for their outstanding support. Thank you all for your support and encouragement. It has been a pleasure serving you.

The Mississippi Knights of Columbus is a great organization—share our brotherhood with eligible Catholic men—don't be shy to ask a man to join. Continue to pray for and take care of our Bishops, Priests, and religious. Keep Father McGivney's dream alive.

VIVAT JESUS!!

STATE PROGRAM CHAIR REPORTS

State Program for People with Intellectual Disabilities Report

On behalf of the "Persons with Intellectual Disabilities", thank you to all 31 Councils who contributed to the annual fundraiser for their benefit. The money received by the Knights of Columbus PID Fund the past year was \$71,013.23. Of this amount \$10,000.00 was distributed by the State Officers at the annual meeting of the Foundation this past January. \$53,634.95 was returned to the Councils to be given to their local facilities. Expenses this year were \$310.58.

I must remind you that I must receive a "audit" form and a "distribution" form along with your check to complete your transaction. This is for our records in case of a audit by the IRS or other government authority. Please cooperate with us on this.

This year the Council that turned in the largest amount was #8848 in Tupelo. That amount was \$8492.00. Council #8912 Corinth contributed the largest amount per member of \$61.19. Congratulations to these Councils for their hard work on this program.

The date for the 2010-11 campaign will be week of May 16-22. I will have purchased the "special event insurance" for this date.

On behalf of the "Persons with Intellectual Disabilities" in Mississippi, thank you who helped raised funds for the various activities and programs we help support.

State Squires Report

Squire Chairman, Tom Chady PSD, reported that although only one circle was actively operating (Vicksburg), he did note that through G.K. Bill Singletary's help that a circle at St. Therese in Jackson was beginning to re-activate. They even sponsored the council's Free throw contest in February.

Chady also noted that he had been approached by several council leaders which indicated to him the new circles maybe forthcoming fairly quickly.

Father Michael McGivney Guild Chairman's report

As of April 1st of this year our Jurisdiction had 874 members of the Father Michael J. McGivney Guild. What is surprising to me in this day of rising prices is that every member of our Jurisdiction is not a member of the Guild. It is totally free and through your participation you support the ongoing process of making Father McGivney better known and spreading the word about his powerful intercession. How can we as Knights not do everything in our power to assist the Church and the Order in seeing our Venerable Founder raised to the honor of the Alter? I remind you that membership is free. And you can join via the K of C website (WWW.KofC.org) or by "snail mail". I ask you to consider joining the Father Michael J. McGivney Guild as soon as possible! Thank you.

Vivat Jesus,

State Family Director's Report

As Family Director I sent out monthly messages congratulating each Family and council that were picked by Supreme as the Family of the month. I also sent a message asking all of the councils to try and turn in a family. I had several conversations and correspondence with various councils during the year on not getting credit from Supreme, for turning in a Family, which I had Supreme correct the problem. We did have more Councils this year then the previous year that turned in a Family.

State Pro-Life Couples Report

Let us express our thanks to State Deputy, Peter Sukanek for asking us to serve our brother Knights and their families for this fraternal year as your Prolife Couple for the Mississippi State Council as we endeavor to develop and foster a greater appreciation for the Culture of Life and all the issues that it entails.

Through the fraternal year have tried to alert our councils to various Prolife activities via E-mail to encourage their active participation. It is my firm belief that faithful Catholic families desire to and will get involve in prolife causes but they stumble on how to do so. With that thought in mind, our focus has been to provide the council leaders with concrete ideas at the three times of the year when all councils are represented - the Schools of Columbianism, the Mid-Year Meetings and at the State Convention.

We encouraged all Councils to use the Respect Life 2009 packets printed by the US Conference of Catholic Bishops which are distributed by the Supreme Council to all Financial Secretaries each September for use in October - Respect Life Month. These packets are also sent to each parish. This effort is funded by the Knights of Columbus.

The following is a list of our activities for the July 2008 - June 2009 Fraternal Year

- Participated as a member of the planning team for 2009 Grillin' for Life fundraiser.
- Sent Emails for statewide distribution through our Good of the Order distribution list on prolife matters and issues.
- Member of the new Prolife Committee of Catholic Charities in Jackson. Helped develop a Catholic Charities prolife brochure.
- Vice President of Birthright of Jackson. Quarterly Board of Director's meetings.
- Responded to prolife information request by Roy Guy from Olive Branch Council 14051
- Shipped "Defend Life" KC signs to coastal councils for use in annual Prayer Chain.
- Distributed prolife information and materials at the Mid Winter Meetings in January 2010 and discussed the Supreme Council's Culture of Life Fund.
- Distributed prolife information at the 2010 State Convention

At the 2009 School of Columbianism we provided each Grand Knight, District Deputy and State Officer with prolife brochures and literature and provided the following ideas:

1. **Encourage your members to pray** for an increased Respect for Life among people.
2. **Contact the nearest Crisis Pregnancy Counseling Center** on the enclosed sheet and ask them what you can do for their organization. Involve your youth minister in any project done to benefit this center.
3. **Make a small donation to the Mississippi Memorial Prolife Statewide Fund.** Surely every council, assembly and ladies auxiliary can afford an annual \$25.00 donation. Since 2001 only 32 councils (58%), 3 assemblies (12%) and 1 ladies auxiliary (5%) have ever donated to this statewide Knights of Columbus fund!
4. **Use the prolife search engine powered by Google** - go to <http://www.prolifeinternet.com/>
5. **Use the 2009 Respect Life information mailed to each Financial Secretary** in September 2009 from the US Conference of Catholic Bishops. Our Supreme Council funded this effort.

6. **Pray for a growing Respect For Life. Pray to end Abortion and the Death Penalty. Start every Rosary you and your council says with those intentions.** Examples of Prolife Rosaries are attached.
7. **Educate your council, assembly and ladies auxiliary members on the Catholic teachings and beliefs on these subjects by asking your pastor to talk at one of your meetings or in your adult education program.**
8. **Express to other that you are prolife by wearing a precious feet lapel pin, or by putting a Prolife Bumper Sticker on your vehicles.**
9. **Hold a fundraiser and donate the money to a local prolife group or the Mississippi Memorial Prolife Fund.** Since 2001 only 32 councils (58%), 3 assemblies (12%) and 1 ladies auxiliary (5%) have donated to this statewide Knights of Columbus fund. Our goal should be 100% participation. Try to donate at least \$25.00 to this fund annually
10. **Use prolife checks.** Attached are examples of prolife checks - use as a handout to provide to your members your meetings. Prolife checks are at:

DO NOT ORDER FROM LIFE CHECKS IN JOPPA, MISSOURI - THEY ALSO PRINT FOR PLANNED PARENTHOOD.

11. **Switch to a phone company that donates a portion of your bill to Prolife organizations.**
 Make your church office aware that Verizon, Bell South, SBC, AT& T and Sprint match employee contributions to Planned Parenthood - the largest abortion provider in the US. These companies also sponsor gay, lesbian, bisexual and transgender employee groups. In 2003 AT & T and MCI reported over 1 billion dollars in dial-a-porn revenue. Did you know that by doing business with these companies you are helping them support these causes? **Viable, alternative phone service providers do exist.**

12. **Sponsor a child in a developing nation for \$30.00/month or make a donation.**

13. **Consider applying for a Catholic-affinity credit card that donates a portion of it's profits to Catholic organizations.** Once such card is issued by Catholic University of America Mastercard® issued by Bank of America.
14. **Invest your money in mutual funds that only buy stock in companies that support Catholic values and teachings.** Contact the following companies.

State Programs Director's report

TO: Worthy State Deputy Peter Sukanek
FROM: Elvis Gates, State Program Director
RE: 2009-2010 State Program Report

Worthy State Deputy,

It was my honor and privilege to serve as your State Program Director this year. Overall I believe we achieved many accomplishments this year and I hope you are pleased with the results. I know of a few areas that we can still refine for an even smoother 2010-2011 State Fraternal Year and I am looking forward to pursuing these improvements.

In summary fashion, here is what was accomplished this year:

Reports Filed –

All but 1 council filed the required Form 185 Report of Officers Chosen For The Term (9234)

All but 2 councils filed their Form 365 Report of Committee Chairmen (1583, 2969)

All but 3 councils filed Form 1295 Council Audit for 12-31-2009 (1605, 9234, 13502)

All but 1 council filed Form 1728 Survey of Fraternal Activity (2969)

All but 13 councils filed Form 4584 Special Olympics Participation (1583, 1605, 2945, 2969, 7087, 7211, 7854, 8848, 9234, 9958, 11904, 11995, 13936)

All but 5 councils had attendance at the School of Columbianism (2945, 2969, 6592, 9958, 13502)

All but 1 council had attendance at the Mid Winter Meeting (7974)

All but 13 councils filed Mid Year Reports (1583, 1605, 2945, 2969, 7087, 8054, 8848, 8912, 9234, 9958, 10449 13502, 13936)

All but 19 councils filed End of Year Reports (1244, 1583, 1605, 2945, 2969, 6592, 7120, 7211, 7854, 8054, 8848, 8912, 9234, 9958, 11654, 11995, 12166, 13502, 13936)

Even with the lack of end of year activity reports shown above, the state had reported activities as follows:

Church – 352 Council – 333 Community – 343 Family – 286 Youth – 278

As you and I discussed recently, we will examine ways to promote membership more fully through the Activities and Awards areas of our jurisdiction. I will have firmed-up suggestions for our discussion at the state leadership meeting in July.

Elvis Gates

State Membership Director's Report

After last year's convention, State Deputy elect Peter Sukanek asked if I would consider stepping down as State Program Director and assume the role of State Membership Director. I readily accepted his request and together we began to put together an action plan for the 2008-2009 fraternal year. The bar had been set extremely high with our predecessors achieving "Circle of Honor". So, we knew going in that goals would be stiff, at best. With this in mind, the Worthy State Deputy appointed Immediate Past State Deputy, Danny Lechner, to assist me as Round Table Coordinator and State Retention Chairman. My predecessor, Bill Waggoner, turned over all his electronic and hard copy records to me and we were off and running.

MEMBERSHIP

There were a couple of reports that the councils were used to seeing, so we felt no need to deviate from what had been handed down. However, with population shifts and varied council growth success, we found it necessary to adjust the membership limits for the different "Council Size Categories". Small Councils went to 62 members and below. Medium Councils went to 63-85 members. Large Councils were determined to be 86-160 members and Extra Large 161 and above. These divisions were based on the Supreme headcount as of 07/01/2009 and were subject to change each fraternal year. This move created much more balance within the size categories. It created 15 Small Councils, 15 Medium Councils, 14 Large Councils and 15 Extra Large Council. Supreme quotas were set relatively high this fraternal year and to help offset, Supreme set up a contest called the Membership World Series. To complement this contest and build on the momentum of the idea of March Madness, we set up our own contest. The State Membership Tournament Bracket was established. We pitted, like size, councils together in a monthly head to head membership contest. Winners, in each size division, would receive the winner cup and a place of honor at the state convention.

Our state goal for the year, based on a seven percent net gain, with the caveat for extra large and very small councils, was 430 new Knights. Despite our best effort we fell rather short of our lofty goal. Gross membership was at 251 new members. Of the 59 councils in Mississippi, 16 reached or exceeded their goal. Nine reached goal and 7 achieved top gun. Those 16 councils are listed below:

NEW COUNCIL DEVELOPMENT

Our goal this year was to bring in two new councils, but we were not able to bring in any this year. However, there were 4 new councils in the works for development shortly after the new fraternal begins. Cities working on new councils are:

1. Poplarville
2. Jackson (St. Richard's)
3. Vancleave
4. Biloxi (Keesler Air Force Base)

ROUND TABLE DEVELOPMENT

With the goal in mind to establish a Knights of Columbus presence in every parish, we began a campaign to reach our goal of 45 round tables in the State. The guidelines require that any parish that has a Knight, with the permission and cooperation of the Parish

Priest, can establish a Round Table. With this in mind, our team actively encouraged all councils with affiliations in more than one Parish, to establish Round Tables. Unfortunately, we fell short of this goal also only have achieved 20.

While we struggle to keep our head above water this year, I feel we gave it our best shot. Some councils purged their rosters and are now poised to make a run at the 2010-2011 membership goals. I am encouraged by the efforts to form new councils in growing areas and fully expect next year to be successful. Good luck to the new State Membership Director Philip Jabour and know that you will have my continued support in your efforts Vivat Jesus.

CONVENTION BUSINESS

Remarks of Supreme Council Representative Daniel J. Baker

Your Excellency, Worthy state officers, reverend fathers, delegates, spouses and family members, and my brother Knights: it is an honor and a great pleasure to share in your annual convention this weekend. Donna and I have always enjoyed that the Order has afforded us the opportunity to travel and make new friends. That is surely the case this weekend, and we appreciate the hospitality you have shown us. However, I think you ladies went well above and beyond the call of duty in taking Donna to every antiques store in Natchez. Hospitality should only go so far! Who has the truck going to Atlanta?

Convention time in the Knights of Columbus is an opportunity for local council leaders and their families to come together in community, compare notes, find out what other councils are doing, share successes and, most of all, honor those who have excelled, and of course to socialize. There's nothing like getting together face-to-face, even in this age of social networking!

This is a great opportunity for our wives to get to know one another, and for all of us to gather together as part of our Knights of Columbus family. After all we are a **Family** Fraternal Organization, and I've always thought of that family as a partnership. First, of course are our Brother Knights. The second member of the partnership is the clergy. Our Order was started by a parish priest, and we could not function without the participation and support of our priests and bishops. For that I thank all our clergy for what you do for our Church and our Order. The remaining partner is probably the most important—our wives and families. That we could not begin to accomplish our many goals without the involvement and support of our families goes without question. Sometimes you may be planting a tree or serving a meal with us, or maybe running a raffle or, on occasion, you might even say “go do something with the Knights and get out of my hair!” Whatever it is, we couldn't do it without you, and I thank all you ladies for everything you have been and will be to the Knights of Columbus!

Let's spend a few minutes this evening elaborating on some points that Supreme Knight Anderson mentioned in his video greetings to this convention. He pointed out that while we Knights donate more than \$150 million to charity each year, and that is no small accomplishment, what sets us apart is that we also “roll up our sleeves and give of ourselves.”

Bill Gates, the founder of Microsoft, is said to be worth at least \$55 billion dollars. Even though his net worth was once over \$100 billion, he still has enough left to be able to write a check for millions of dollars to charity. But neither Bill Gates, nor William Buffet, nor anyone else, no matter how rich they are, could provide the 68 million hours of volunteer time that we Knights donated to charitable work last year. That is charity that comes straight from the heart, the kind of charity we are known for.

In his video message to this convention, the Supreme Knight offered some examples of volunteer work by Knights over the past year: Knights helping a wounded police officer, Knights providing a special van for amputee veterans of military service, Knights giving a big boost to a cancer research project, Knights establishing a school for their children.

Knights helping their neighbors recover from a devastating typhoon and Knights putting after-school programs for at-risk youngsters.

Of course, the response of Mississippi Knights to the devastation of Katrina is legend in the Order. Not only have you responded and recovered from that act of Nature, but you continue to grow and do your charitable works for others. I understand that last year you raised over \$90,000 for seminarian education, and over \$70,000 for Persons with Intellectual Disabilities. I have to tell you, I am impressed and want to learn how you do it. I've always had what I call charity fundraising envy. I am always looking for more and for better ways to raise money to support our charities. I'm not leaving town until I get your secrets...

There are literally thousands of stories charity, and they happen every year in nearly every jurisdiction. We undertake these acts of charity because we see those in need through the eyes of faith.

As Pope Benedict wrote in his first encyclical, "Only if I serve my neighbor can my eyes be opened to what God does for me and how much he loves me."

Moreover, in the Knights of Columbus, we approach these acts of charity *together—our second principle--unity*. Benedict calls this the "practice of love . . . as a community."

Our charitable work is important for many reasons:

First, it fulfills Father McGivney's vision of a Catholic society dedicated to serving those in need. There's a very good reason why charity is the first principle of the Order. The Venerable Michael McGivney knew that if we put charitable work at the top of our priority list, if charity is our focus and vision, then everything else we do will support that vision.

In the Gospel of Mark, Jesus elevates love of neighbor to a significance that is second only to loving God. "There is no other commandment greater than these," Jesus says. Father McGivney wanted to remind each of us that being a faithful Catholic Christian must always involve giving a very high priority to loving our neighbor, and all that that implies.

Charity is important to us as Knights because that is who we are, and what we do, and it communicates our essence to people outside the church who may not know much about us. It must always be a central part of our identity.

Another very huge effect of our charitable activity is a powerful inducement to men and families to join us. We all know that an active council is a healthy and growing council. Men don't join the Knights of Columbus because we contribute lots of money to worthy causes. They join because they see local councils doing what local councils do best—the good, charitable works of the Order. This is especially true as we seek to attract new members.

Knights of Columbus are known for many things, our **support of the Catholic Church**, and our Fourth Degree is a very visible presence at both church and civic events. Just the other day I was listening to the Catholic Channel on XM Radio, and they were discussing an informal survey about the best things about the Catholic Church. In the top ten was, you guessed it, the Knights of Columbus!

Remember that you carry on a proud 128 year tradition based upon the vision and holiness of the Venerable Michael McGivney, who we pray will soon be raised to the dignity of the altar. His legion has grown from a little group of a few dozen men at St. Mary's Church to more than 1.8 million Catholic gentlemen spanning the globe from Asia to Europe, and from the Arctic Circle to the Isthmus of Panama. We are bound together by charity, unity, fraternity and patriotism, and by the faith of the Holy Catholic Church. Membership in the Knights of Columbus is, for sure, the experience of a lifetime, an experience that we want every eligible Catholic man and family to share. And share it we will.

We are also known for our pro-life activities, and we want to increase those activities and our leadership to grow the Culture of Life. We are needed more today than ever to lead the fight against those who seek every opportunity to attack our Church and our faith. We must stand for those who cannot stand for themselves, fight for those who cannot fight for themselves, and defend those who are defenseless.

I have one remaining request of you. Today, there are thousands of men and women in harm's way defending our way of life on the frontlines of Freedom. I ask that you pray to St Michael the Archangel, the patron Saint of Soldiers and of Knights, for their protections and success in their hazardous duties. We owe them a great debt, and they deserve every bit of our support.

Thank you, again, Excellencies, Reverend Fathers, my Brother Knights, and you ladies and families, for your hospitality, your good will, and for all you continue to do for Our Church, Our Order, and Our Society. We must stand for, fight for, and defend human life in all its stages, from conception to natural death. This is our calling! We are the Knights of Columbus!

Vivat Jesus!

Deacon Michael Gilley's Address to the Convention

Your Excellency, Bishop Latino, Bishop Morin, Distinguished Clergy, Worthy Supreme Representative and State Deputy, my brother Knights and my brothers in Christ,

Thank you for allowing me to address you during this Business Meeting. I come to you humbled and in thanksgiving on behalf of my Deacon Brothers and our wives, for your overwhelming generous support of the 2009 Deaconate Class of the Diocese of Biloxi.

In 2007, I came before the Knights in a School of Columbianism meeting asking for your help with the Saturday evening meal. At that time, my brothers Deacon Aspirants and I were struggling to get that meal prepared and cooked for us. Our wives were under stress to attend our classes with us, cook a meal and attend the Saturday Vigil Mass. In desperation and at the suggestion of Brother Deacon, Dr. David Hughes, a Former District Deputy, we decided to ask the Knights to help us. You graciously accepted to volunteer your services, time and funds to prepare, cook and serve wonderful meals for us.

Words don't adequately express our gratitude that we share towards you. I would also like to say that whenever a date was schedule for a particular Council to cook, you followed through. You never wavered! You told us up-front what the menu would be and you even washed the dishes and put them away. Our wives became more relaxed and we were more able to concentrate on our studies. I might also add as a result of your generosity, one of my brother Deacon Aspirants, at the time, was much impressed with the Knights that he joined. Now each of my Brother Deacons of Class 2009 is a member. Please know that I personally include you in my daily prayers. Many, many Thanks.

May God bless each of you.

Unfinished Business: None

New Business:

State Deputy Peter Sukanek suggested that it may be too early to look at a convention site for 2014. Four years is a long time and the situation of the hosting Council could easily change within that period of time. After a short discussion the delegates decided that the 2014 Convention site selection would be held until the 2011 State Convention scheduled for Tupelo. The current 2011 - 13 Convention sites are:

2011 - Tupelo
2012 - Long Beach
2013 - Vicksburg

With no additional new business, the meeting was adjourned by State Deputy Peter Sukanek with a closing prayer by State Chaplain Fr. Camp.
