

2023 Rose Route Date for Mississippi

Mississippi Route Dates: 10/01/23 – 10/29/23 (Four Weeks)

The proposed turnover is on Sunday 1 October, at EWTN in Irondale, AL. outside of Birmingham. Current plans are to receive the Rose after the 7AM Mass at EWTN and transport it to Meridian for a Mass on the 1st. From Meridian the proposed route will take the Rose North through Districts 4; 1; 2; and then back south through Districts 14; 5; and 6. From there the Rose will head South to District 7, then east to District 8 Then South again to District 13; then Southeast to District 12; then West through Districts 11; 15; 10; and 9. The final Rose Mass will be in Picayune on Sunday 29 Oct. Below is the planned route. Please start canvassing your councils as to when/where they want to perform their services. I will be working with the State Webmaster to add a site to the State Website for the Silver Rose. As you can see our time with the rose is tight and no one area gets the Rose for an extended period. Please try to get Councils to double up or have two Masses on the same day when possible and I have included a few suggestions as to where this may be accomplished.
